Districtwide Counselor Debrief:

- Counselor majority seemed to like once a year instead of twice a year, virtual format is preferred. Might be hard to plan for hybrid
- Academic advisement is confusing, some are unsure how to use it and have stopped. Co-Chairs will look into asking Dr. V for training.
- Timing was off since it was the last day for extended deadline - Co-Chairs explained the time was set before A&R announced deadline

Review Math Chairs Guided Placement - guide was reviewed with changes and counselors accepted the new guide. Co-Chairs will email the Math Department to see if this will be posted on the department website and catalog.

### **Program & Committee Updates**

**Curriculum:** Repeat information from Fall: The five degrees that have both a local and transfer version are: Anthropology, Business Administration, Early Childhood Education, Economics, and Mathematics. Local degrees have been approved to be deactivated for Fall 2025 because there is an ADT degree (except Child Development, will continue to have an AA degree). Students have catalog rights.

The motivation behind this is that as part of AB 928 (CalGETC), students who declare for a major will automatically be placed on the transfer associate degree pathway, if one exists, and would therefore have to opt out of that placement to enter the local associate degree pathway.

**Graduation Committee:** Let Lesley know if you want to participate in Graduation. They need help with set-up and walking the stage. Order cap and gowns for faculty by April 14th so it can ship to Merritt. Students will be able to attend informational sessions and will try to have 1 in person and 1 virtual. TBD, but might be May 1st and May 7th. SAS confirmed that they will be purchasing the cookies.

**FYE:** Going to Saint Mary's on April 24

**SAS:** SAS and Hilary A are partnering with personal assistance for resumes, networking, interviewing, (does not have to be only SAS students)

The event will be on April 22 from 12-3. 100 people expected to attend and it will be in the student lounge
