

Credit for Industry Recognized Credentials: Students interested in Credit for Prior Learning using industry recognized credential(s) shall receive credit as recommended by the appropriate department chair or faculty designee:

- The student shall complete the Credit for Prior Learning assessment petition available in the Counseling Department or the Admissions and Records Office
- Admissions and Records shall grant credit for industry recognized credential(s) that have already been evaluated and approved by the appropriate department chair or faculty designee
- If an industry recognized credential(s) has not yet been evaluated and approved by the appropriate faculty:
 - The student meets with the department chair or faculty designee to receive further instructions for industry recognized credential(s) assessment
 - The student submits all industry recognized credential documents to the department chair or faculty designee for assessment of prior learning
 - If the department chair or faculty designee determines the industry certification adequately measures mastery of the course content as set forth in the Course Outline of Record, the appropriate faculty shall sign the petition with the recorded grade, attach the industry recognized credential(s), and forward the completed petition and supporting documents to the Admissions and Records Office to be kept on file and recorded on the student transcript

Student-Created Portfolio Assessment: Students interested in Credit for Prior Learning using a student-created portfolio shall receive credit as recommended by the appropriate department chair or faculty designee under the following circumstances:

- A department approved portfolio assessment rubric for the course is on file
- The student shall complete the Credit for Prior Learning assessment petition available in the Counseling Department or the Admissions and Records Office
- The student meets with the department chair or faculty designee to receive further instructions for student-created portfolio assessment
- The student submits all portfolio documents to the department chair or faculty designee for assessment of prior learning
- If the department chair or faculty designee determines the student-created portfolio adequately measures mastery of the course content as set forth in the Course Outline of Record, the appropriate faculty shall sign the petition with the appropriate grade and forward it to the Admissions and Records Office to be kept on file and recorded on the student's transcript

Credit from Other Institutions: The Peralta Colleges accept credit for all lower-division, degree-applicable courses completed at other collegiate institutions that have been accredited by a regional accrediting body. Consult a counselor for a preliminary evaluation of course equivalents.

Students transferring from another accredited institution may request to use some of this credit to meet Peralta District degree or certificate requirements. Official transcripts should be sent directly from the transfer institution to the District Admissions and Records Office. The review of transfer units occurs when the graduation petition is submitted to the College Admissions and Records Office. External transcripts become the property of the District. Transcripts submitted to Peralta District will not be released to students, other colleges or other agencies.

Credit for External Exams: Advanced Placement (AP), International Baccalaureate (IB), and College-Level Examination Program (CLEP)

General Guidelines: In order to receive credit for either AP, IB, or CLEP:

- Students must be enrolled in the Peralta Community College District to apply for such credit.
- Students are not required to have completed any specific number of units in the Peralta Community College District prior to applying for such credit.
- Students may use units earned through any of these exams to meet certificate (AP only) and associate degree requirements (to see the unit values awarded by the Peralta District for any of these exams, please see the charts that follow each section).
- Students may not use units from these exams to satisfy financial aid, veterans, or EOPS eligibility criteria.
- Students may not use units from these exams to satisfy the 12-unit residency requirement at any of the Peralta Colleges.
- If students have earned credit from an AP exam, they should not enroll in a comparable college course because credit will not be granted for both the exam and the course.

Advanced Placement: Students will be granted credit for College Entrance Examination Board (CEEB) AP tests with scores of 3, 4, 5 (see the AP chart which follows) in specific subject areas for certificates, associate degrees, CSU General Education Breadth certification and IGETC certification. The unit/credit value granted for a college certificate or associate degree may vary from the unit/credit value given by a UC or a CSU.

Students may use units earned by AP examinations toward CSU General Education Breadth Certification, (partial or full), according to the CSU approved list below and they may use units earned by AP examinations to meet Intersegmental General Education Transfer Curriculum (IGETC) as per the approved list below. Each AP exam may be applied to one IGETC area as satisfying one General Education course requirement, with the exception of Language Other Than English (LOTE). There is no equivalent AP exam for IGETC Area 1B or CSU GE Breadth Area A3, Critical Thinking/Composition. There is no equivalent AP exam for IGETC Area 1C or CSU GE Breadth Area A1, Oral Communication. If a student has passed more than one AP exam in Calculus, only one exam may be used for credit/unit purposes for a Certificate, Associate Degree, CSU GE certification, and IGETC certification.

Some four-year institutions (e.g., out-of-state, independent) may not accept AP credit. Actual transfer credit awarded for admission is determined by the CSU and UC. Individual CSU and UC campuses continue to determine the applicability and quantity of AP credits granted toward major or baccalaureate degree requirements.

ACADEMIC POLICIES AND PROCEDURES

In some areas, CSU grants additional units for elective credit towards eligibility for admission. The CSU campus to which a student transfers determines the total number of units to be awarded for successful completion of AP examination(s) and how the exam scores may apply to other graduation requirements.

For IGETC certification, AP exams in Biology, Chemistry, or Physics B allow a community college to apply 4 semester or 5 quarter units to IGETC certification (as noted in the chart below). For Environmental Science, Physics C: Mechanics and Physics C: Electricity. Magnetism, 3 semester or 4 quarter units are applied for IGETC certification (as noted below); therefore, students who have completed these exams will be required to complete at least 4 semester or 5 quarter units to satisfy the minimum required units for Area 5.

The University of California AP policy can be found at:

<https://admission.universityofcalifornia.edu/admission-requirements/ap-exam-credits/ap-credits/>

The California State University AP policy can be found at their website:

<https://www2.calstate.edu/apply/transfer/Pages/advanced-placement-ap.aspx>

Advanced Placement Procedures: If a student wishes to apply for AP credit having received a score of 3, 4, 5 on any of the exams listed below, they should:

1. Obtain a "Petition for Advanced Placement Examination Credit" from the Admissions and Records Office;
2. Attach official copies of AP score reports from the College Board or an official copy of their high school transcript (if it reports Advanced Placement Examinations); and
3. Take the completed petition and supporting documentation to a Counselor for review.
4. If a student wishes to receive credit for an AP examination not on this list, they should obtain a petition from the Admissions and Records Office and submit it to the Vice President of Instruction, who will evaluate requests on a case-by-case basis.

¹ The Peralta Community College District (PCCD) course or General Education Area associated with the Advanced Placement examination. Where courses are noted, they will only be used to establish PCCD pre-requisites and/or course equivalencies. Please see a Counselor for specific information.

² If a student passes more than one AP exam in Calculus or more than one AP exam in Computer Science, only one examination may be used.

³ Students who pass AP Environmental Science earn 4 units of credit. Tests prior to Fall 2009 may apply to either B1+B3 OR B2+ B3 of GE Breadth. Fall 2009 or later, those credits may only apply to B1+B3.

⁴ If student passes more than one AP exam in Physics, only six units of credit may be applied to a baccalaureate, and only four units of credit may be applied to GE Breadth certification.

International Baccalaureate (IB): The Peralta Community College District may award International Baccalaureate Examination (IB) credit toward Associate Degree General Education requirements, or for CSU GE or IGETC transfer certification to those who attain an appropriate score on Higher Level (HL) Exams. If a student intends to transfer to a four-year institution, they should consult with a counselor or the individual institution regarding its IB credit policy for major course work.

A score of 5, 6, or 7 on Higher Level exams is required to grant credit for IGETC and CSU GE-Breadth certification (exception: a score of 4 on the following IB subjects is considered a passing score for CSU GE-Breadth certification: Language A1 HL (any language), Language A2 HL (any language), Language B HL (any language), Mathematics HL, and Theatre HL). An acceptable IB score for IGETC or CSU GE-Breadth equates to either 3 semester or 4 quarter units for certification purposes. If a student has earned credit from an IB exam, they should not enroll in a comparable college course because credit will not be granted for both.

CSU may grant additional units admission eligibility. For more information, see the following CSU Memo at:

<https://www2.calstate.edu/apply/transfer/Documents/AA-2015-19.pdf>

If a student wishes to apply for IB credit, they should:

1. Obtain a "Petition for International Baccalaureate Examination Credit" from the Admissions and Records Office;
2. Attach an official IB transcript;
3. Take the completed petition and supporting documentation to a counselor for review.

IB EXAM	PCCD GE AREA	PCCD GE UNITS	CSU GE AREA	CSU GE UNITS	IGETC AREA	IGETC UNITS

¹ The IB curriculum offers language at various levels for native and non-native speakers. Language B courses are offered at the intermediate level for non-native speakers. Language A1 and A2 are advanced courses in literature for native and non-native speakers respectively.

College-Level Examination Program (CLEP): The following CLEP examinations can be used for credit toward a certificate, Associate degree, or CSU GE Breadth certification. CLEP exams cannot be used for IGETC certification. Students must have achieved at least a score of 50 on any of the following exams.

If students have earned credit from a CLEP exam, they should not take a comparable college course because credit will not be granted for both.

CSU may grant additional units for elective credit toward eligibility for admission. Also, there are some CLEP exams not listed below for which CSU may grant elective credit. Students should check with the CSU to which they plan to transfer.

If a student wishes to apply for CLEP credit, they should:

1. Obtain a "Petition for External Exam Credit" from the Admissions and Records Office;
2. Attach official copies of CLEP score reports from the College Board;
3. Take the completed petition and supporting documentation to a counselor for review.

RE: International Baccalaureate (IB), College-Level Examinations Placement (CLEP) Examinations, and Advanced Placement (AP) Examination Chart Annual Updates

This memorandum is to provide guidance regarding title 5, §55052.5 regulations that went into effect May 1, 2021 pertaining to IB and CLEP examinations. Title 5, §55052.5 requires the Chancellor of the California Community Colleges, in collaboration with the Academic Senate of California Community Colleges, to develop and require each community college district to implement a uniform policy regarding IB and CLEP credit.

In accordance with the regulation, the policy stipulates that any student who passes an International Baccalaureate Organization IB examination and/or a CLEP examination with a minimum passing score in the subject matter (see Appendices B & C), is awarded general education area credit. Where no general education area credit matches are available, the college may award elective credit. Each community college shall also note on the student's academic record that the credit was earned through an IB and/or CLEP examination.

The text for title 5, §55052.5 is attached as a reference (Appendix A). Also included for reference is an updated Advanced Placement (AP) Examination chart (see Appendix D), which also requires a uniform policy per title 5, §55052.

This memorandum contains the following additions:

- Appendix B: IB Examination Passing Scores Chart - Mathematics: Analysis and Approaches, Mathematics: Applications and Interpretations
- Appendix D: AP Examination Passing Scores Chart – Calculus BC/AB Subscore, Computer Science AB, English Language, English Literature, PreCalculus, Spanish Language, Spanish Literature, World History

If you have any questions regarding this guidance, please contact Dean Raul Arambula (rarambula@CCCCO.edu) and Specialist Bob Quinn (bquinn@CCCCO.edu).

- Appendix B: IB Examination Passing Scores Chart
- Appendix C: CLEP Examination Passing Scores Chart
- Appendix D: AP Examination Passing Scores Chart

Appendix A: Title 5, Section 55052.5

§ 55052.5. International Baccalaureate and College Level Examination Program Examinations. The Chancellor, in collaboration with the Academic Senate for the California Community Colleges, shall develop policy guidelines on the minimum passing scores for the International Baccalaureate and/or College Level Examination Program examinations. The policy guidelines shall be distributed to community college districts on an annual basis.

The governing board of a community college district shall adopt policies to grant credit for satisfactory completion of International Baccalaureate and/or College Level Examination Program examinations typically recognized by colleges and universities as measuring competencies comparable to those achieved in baccalaureate level courses or general education areas.

The faculty in the appropriate discipline must approve International Baccalaureate and/or College Level Examination Program examination scores deemed to constitute satisfactory performance for direct course credit and/or general education area credit. Credit may be awarded for the California Intersegmental General Education Transfer Curriculum, California State University General Education Breadth, or local community college general education requirements, as most appropriate. Where no direct course or general education area matches an International Baccalaureate or College Level Examination Program exam, the college may award elective credit. Requirements may be met by such examinations in accordance with policies and procedures approved by the curriculum committee established pursuant to section 55002.

The student's academic record shall be clearly annotated to reflect that credit was earned through an international baccalaureate and/or college level examination program examination.

Note: Authority cited: Sections 66700 and 70901, Education Code. Reference: Sections 70901 and 70902, Education Code.
