IGETC COMPLETED: California State University ____ Yes (CSU Graduation Requirement in U.S. History/Government completed ____ Yes) University of California ____ Yes				

Completion of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) with a grade of "C" or better will permit a student to transfer from a California community college to a campus in either the California State University (CSU) or the University of California (UC) system without the need, after transfer, to take additional lower-division, general education courses to satisfy campus general education requirements.

The IGETC is not advisable for all transfer students. The IGETC is most advantageous for transfers who have not yet decided on a major or a campus. Once a student has identified a major, it is important to work toward fulfilling any required preparation courses, particularly in professional or "high unit" majors that select applicants on the basis of satisfaction of lower division major requirements. If a student is pursuing a major that requires extensive lower-division preparation, they may be better served by taking courses which fulfill the CSU General Education/Breadth requirements or the general education of the specific UC campus or college to which they plan to transfer, examples of such majors include, but are NOT LIMITED to: Engineering, Business, Pre-professional schools and Sciences. (Note: Students transferring to UC San Diego's Eleanor Roosevelt and Revelle Colleges may complete IGETC, but they must also meet specific general education requirements of those colleges.) The following independent colleges/universities will accept IGETC in lieu of their general education requirements: Chapman University, Dominican College of San Rafael, Holy Names College, John F. Kennedy University, Menlo College, Notre Dame de Namur University, Saint Mary's College, University of San Francisco, and University of the Pacific.

Restrictions: A student who is initially enrolled at a UC and is returning to the same UC campus (after attending a community college) is considered a "readmit" and cannot use IGETC. However students who initially enroll at a UC, attend a community college and return to a different UC campus, may be able to use IGETC, but should check with the campus they wish to attend. This restriction does not apply to students who have taken UC summer session or Extension classes only.

Certification: Laney College, Peralta Community College District, can certify the completion of IGETC. The course requirements for all areas MUST be completed before IGETC can be certified. Once certification is completed student records (transcript) will reflect the certification of IGETC completion. Students should request certification when a final transcript is requested to be sent to their choice of CSU or UC, the term prior to transfer. Students who transfer without certification will have to meet the general education requirements of the specific UC or CSU to which they are transferring. This may require completion of additional courses after transfer. The "Request for Certification" form is available and can be filed in the Admissions and Records Office.

Official transcripts of any course work completed outside Peralta District must be on file prior or accompany the certification request. Courses taken at other California Community Colleges will be placed in the IGETC category identified by the offering college the term the course was taken. Courses taken at other colleges/universities may be used on IGETC if they are equivalent to courses on Laney College's IGETC list. (Except for courses from other California Community Colleges' IGETC, course work from other institutions will not be used to fulfill the Critical Thinking/English Composition requirement, Area 1B.)

"IGETC After Transfer": Students approaching readiness for transfer and for good cause are unable to complete one or two IGETC courses (in areas 3, 4 or 5 only) as planned may be eligible to complete IGETC after transfer to CSU or UC. To be eligible the demonstrated need of good cause must involve reasons such as illness, unavailable or canceled courses, military service or unexpected hardship, such as family or employment problems, experienced in the final term before transfer.

To apply for partial IGETC certification under these circumstances, a student must file a "Petition for Eligibility to Complete IGETC After Transfer" with documentation to support the assertion. Forms are available and can be filed in the Admissions and Records Office.

Students are encouraged to see a counselor by appointment to discuss transfer and the IGETC option as part of an education plan. Counselors are available by appointment through the Counseling Office located on the third floor of the Administration Building, Room 350, (510) 464-3152, 3153, 3154.
