2016-2017 Annual Program Update Template

Final Version: Approved PCCD May 20, 2016

Introduction, Directions and Timeline

The Peralta Community College District has an institutional effectiveness process which consists of the following components: a District-wide Strategic Plan which is updated every six years; Comprehensive Program Reviews which are completed every three years; and Annual Program Updates (APUs) which are completed in non-program review years. While there are individualized Program Review Handbooks for Instructional units, Counseling, CTE, Library Services, Student Services, Administrative units, and District Service Centers, there is one Annual Program Update template for use by everyone at the colleges which is completed in the Fall semester of non-program review years.

The Annual Program Update is intended to primarily focus upon planning and institutional effectiveness by requesting that everyone report upon the progress they are making in attaining the goals (outcomes) and program improvement objectives described in the most recent program review document. The Annual Program Update is therefore a document which reflects continuous quality improvement. Additionally, the Annual Program Update provides a vehicle in which to identify and request additional resources that support reaching the stated goals (outcomes) and program improvement objectives in the unit's program review.

Throughout this document, the term “program” is used to refer to all of these terms: discipline, department, program, administrative unit, or unit.

If you have questions regarding data, please contact Samantha Kessler, Research and Planning Officer skessler@peralta.edu. If you have questions regarding other material in the APU, please contact your Dean or Manager.

You will need the following items in order to complete the Annual Program Update document at the colleges, many of which are provided for you in this document:

- The most recently completed comprehensive Program Review document.
- Any comments or feedback provided during the program review validation process.
- College Goals and Peralta District Goals

2015-2020 Educational Master Plan

The Educational Master Plan (EMP) serves as a key part of the College's integrated planning process and will be implemented during the next five years through action-oriented strategic plans. It is the foundation and primary reference for guiding program planning and reviews, managing student learning outcomes, and coordinating College resources.

<http://www.merriitt.edu/wp/emp/>

The College will engage in integrated planning related to student success, student equity, distance education, foundation skills, career technical education and transfer curriculum.

Partnerships

The College will enhance, pursue and increase partnerships with educational, nonprofit and community employers to enhance and create viable and timely programs.

Non-Credit to Credit Pathways

The College will increase non-credit pathways leading to credit programs for native and nonnative English speakers focused on developing self-advocacy, civic engagement and self-sufficiency.

2015-2016 SSSP Plan Goals

The Student Success and Support Program (SSSP) is a state mandated program that provides critical support services to students on the front-end of their educational experience to increase student success. The 5 Components of SSSP that help ensure educational success are: Admission, Orientation, Assessment, Counseling and Advisement and Follow-up.

<http://www.merritt.edu/wp/studentsuccess/>

2015-2018 Student Equity Plan Goals:

The Student Equity Plan uses campus-based research and data analysis to identify target groups in need of academic performance improvement. The plan outlines goals and activities to decrease performance gaps for disproportionately impacted student groups.

<http://web.peralta.edu/pbi/files/2010/11/Merritt-College-Student-Equity-Plan.pdf>

IV. Aligning Program Goals, Activities and Planning

Purpose: In this section, you will align your program, department or unit goals with the Educational Master Plan goals. You will also be asked to comment on how your department, unit or program is helping the College to achieve the targets set by the Equity, SSSP and Basic Skills Plans.

1. Educational Master Plan Alignment: Please use the following matrix to demonstrate how your program goals align with the 2015-2020 Educational Master Plan Goals.

2015-2020 EMP Goals

Foundations:

1. Assess students' strengths and needs thoroughly to accelerate completion of certificates, degrees and transfer readiness.
2. Support and develop programs, curriculum and services that increase completion of courses, certificates, degrees and transfer.
3. Establish an organizational structure that promotes coordination, innovation, and accountability, and which embeds basic skills development across the campus.

Career Technical Education:

1. Develop opportunities for CTE students to engage in campus and community experiences that enhance learning and student success (program-level clubs/enterprises, activities that develop soft skills, etc.) by contextualizing and proactively engaging students.
2. Create a Merritt-wide infrastructure that streamlines and develops employer partnerships, including offering High quality internships, serving on advisory boards, and engaging in curriculum development.
3. Strengthen Merritt College's "on ramps" to our CTE pathways by enhancing distance education, dual enrollment, adult education, contract education, etc., and provide differentiated supports that ensure student success for targeted population.
4. Create proactive strategies to engage faculty, students, and employers to support program success and sustainability that increase student-level academic and career outcomes.

Transfer:

1. Establish fully functioning transfer center.
2. Acquire more and better data (Higher granularity) on transfer rates. Collect transfer data to include UC, State, and Private institutions.
3. Augment and strengthen specific partnerships with academic departments in CSUs, UCs, and privates to develop transfer pipelines.
4. Augment and strengthen support services for transfer students campus-wide.
5. Augment and strengthen support for transfer students within academic programs.

Directions: 1) input your program and department goals. 2) Identify which area of the Ed Master Plan this Goal aligns to – Foundations, Transfer and/or CTE. 3) Identify the goal number in that area the department goals aligns to. (Goal 1-5) 4) Describe the activities your department or program will complete to meet the goal. 5) What standard or goal do you think the activities will help the college achieve as a measurable outcome (Completion rate, degree/cert completion, transfer, remedial rates). Place and X in the standard(s) and/or goal(s) your program activity will impact.

<u>Program/ department or unit Goal</u>	<u>Foundations</u>	<u>Transfer</u>	<u>CTE</u>	<u>How does this goal or the program activities align with the Educational Master Plan Strategic Directions and Goals?</u>	<u>Measurable Outcomes: Institution Set Standards and IE Goals</u>					
					<u>Successful Course Completion Rate</u>	<u>Retention Rate (F to F Persistence)</u>	<u>Degree or Cert. Completion</u>	<u>Transfer</u>	<u>Remedial Rate Math (Basic Skill Success)</u>	<u>Remedial Rate English (Basic Skills Success)</u>
<i>Example: 1. Assess annually a minimum of 1 SLO per regularly taught course 2. Assess PLO's on a three year cycle 3. Align all recently taught courses with ILO's 4. Continue to engage in campus wide dialogue around assessment.</i>			<i>Goal 1</i>	<i>In our assessment process, we are continually assessing and making changes based on student performance and feedback to ensure CTE students engagement in experiences that enhance learning and student success.</i>	<i>X</i>	<i>x</i>	<i>X</i>	<i>X</i>		

2. Student Equity, Student Success and Support Program (SSSP), and Basic Skills Target Groups: These plans analyzed student success outcomes and disproportionately impacted student populations. The chart below outlines the results of this analysis, and is a summary of the student populations and focused outcomes that the College indicated it would like to increase as a result of the Student Equity Plan (E), SSSP Plan (S), and Basic Skills Plan (B).
 - a. As a program, department or unit, review your data and describe any activities you are doing to address student equity gaps and special populations in the table below. Describe the target or focused student population, the problem/observation, the activity/intervention, and the intended outcome. How does your activity align with the College's Equity, SSSP and Basic Skills Goals

(list the target group and indicator in the last box below)? In your description, please note if the activity or intervention was funded by one of these grants in the past academic year (15-16).

2015-16 Student Equity Plan, Student Success and Support Program Plan (SSSP), and Basic Skills Goal Summary
