Subject: Invitation to MC Accreditation meetings

To All,

Since the news from ACCJC regarding Merritt's probationary status, weekly meetings have been conducted on the campus. The purpose of these meetings has been to establish a course of action as we begin the new academic year. This group services as a preliminary accreditation group until the entire faculty and students return to campus later this month, we want to extend a *welcoming invitation* to the Merritt family for their participation. If you interested in getting involved or want to know what has been drafted to date, please join the group.

These meeting for this week will take place on **Thursday, August 6, 2015 at 10am in room R29.**

I will not be present at this meeting, due to my absence, this week from campus but the leadership team will be present.
