C. Build Programs of Distinction	<i>Goal 3: Create and Implement effective and innovative programs that meet the diverse needs of our community.</i>		
D. Strengthen Accountability, Innovation and Collaboration	<i>Goal 4: Through collegial governance, support institutional communication, innovation and interdisciplinary collaboration.</i>	Identify an online platform (Merritt list serve) for the exchange of information and ideas among administrators, faculty, and staff by December for implementation by the January 2015 flex days.	The Committee discussed possible platforms for a Merritt list serve and solicited technical advice from Alexis Alexander, but did not implement this project.
PCCD Strategic Goals	2014-2015 Merritt College Goals	Plan a college-wide August 2015 retreat, which will be finalized by May 2015.	Development of a college-wide retreat in Fall 2015 is still in progress, with additional planning meetings scheduled for June 9 and 30. The Committee has identified October/November as a more suitable time for the retreat and expect to finalize plans during the fall semester.
