GENERAL EDUCATION REQUIREMENTS FOR LOCAL AA/AS DEGREES Merritt College 2025 - 2026

ASSOCIATE DEGREE: Complete a minimum of 60 degree-applicable semester units with an overall grade point average of 2.0 ("C"). At least 12 of the 60 units must be completed at Merritt College.

LOCAL DEGREE GENERAL EDUCATION: Complete a minimum of 21 units from the areas below with an overall grade point average of 2.0 ("C") and a grade of "C" or better in Area IA (English Composition) and Area 2 (Mathematical Concepts and Quantitative Reasoning). *Although a course may be listed in more than one area, it can be counted in only one area.* Upper division courses from an institutionally or regionally accredited institution may be used to satisfy area and unit requirements. Students with a Bachelor's Degree from an institutionally or regionally accredited institution have fulfilled the GE course requirements for the Associate Degree. Also, completion of a lower division GE pattern for transfer to either the University of California or the California State University fulfills the local GE requirements. NOTE: GE requirements for Associate Degrees for Transfer (ADT) may be different. *See a counselor for more information*.

MAJOR: Students must declare a major for an Associate Degree. Majors require a minimum of 18 units with a grade of "C" or better in each course. Unit requirements for majors vary by program (see the Merritt catalog and/or a counselor for more information).

OUT-OF-DISTRICT OR OUT-OF-STATE COURSES: These courses are evaluated individually to see if they fulfill Merritt College General Education requirements. The Peralta District will accept courses with a minimum of 4 quarter units to satisfy an area that requires a minimum of 3 semester units. *See a counselor for more information.*

NOTE: Common with an (*) and listed in more than one area but commot be counted in more than one area.	1
