Drinnon noted that amending the constitution would require ratification from all of the faculty members in Merritt College.</p> <p>Election of the MCAFS President occurs every two years, but the election of the other officers occurs every year. <ul style="list-style-type: none"> • Professional Ethics Committee • Distance Education • College Catalog • Certificates and Degrees Listed but not Valid 	<p>Black will obtain a hard copy of the document entitled "Merritt College Professional Ethics and Standards Committee," created by Mr. Norbert Bischof. Drinnon will scan this document to be disseminated to the MCAFS members.</p> <p>Alexander reported that the Distance Education Committee is now in the process of creating standards for the district-wide Technology Committee.</p> <p>Drinnon reported that he has tried for several times to convince Merritt College's Vice President of Instruction, Dr. Linda Berry, to create a College Catalog Supplement that will reflect the changes and/or errors on the College Catalog. Drinnon's requests have not been granted up to this point, so Drinnon is now bringing this matter to the MCAFS.</p> <p>Drinnon, as chair of the CIC, reported that, for several years, Merritt College has an Environmental Management program and a Microscopy program which do not offer any valid degrees or certificates. Mr. Robin Freeman was supposed to handle the requirements necessary and submit it to the State to have the Environmental Management degrees and/or certificates approved, but he never did. Drinnon has also discussed this matter with Dr. Rebecca Kenney, former dean of Math, Science and Vocational Programs Division and Mr. Thomas Branca, former chairperson of the Horticulture department, but they have not taken care of this matter for several years. These classes should be cancelled and never be offered until the approval of the State has been obtained.</p>	ACTION: Black will follow up on creating a College Catalog supplement.
