Colleagues,

Good news! The first draft of the Accreditation Follow-Up Report is completed and ready for your review. The Follow-Up Report is a culmination of key collaborations between the AFR Team and SLOAC and a testament to the work that can be accomplished through teamwork. A special thanks to Dr. Lamb, our Accreditation Liaison Officer and President Burns for their continued guidance and support. We are now seeking input from the College community with goals of refining the final document.

Please note that the AFR is an *evolving document* and some of the metrics and content are projected to reflect best case scenarios. Also note that optimal outcomes as written can only become a reality if *all* assessment work is completed timely, as anticipated. Simply put, we are not yet done; there is work still *pending* and maintaining the momentum is critical.

Please inspect the initial draft in MOODLE and submit all comments to the AFR Team mkelly@peralta.edu

The link to MOODLE is <http://eperalta.org/summer2017/course/view.php?id=2783> Please login under **Guest—Password-- accreditation**

The ultimate goal for Merritt College is sanction free with full affirmation after the External Team revisits in the fall. It can become a reality and together, we can do it!!

Sincerely,

The AFR Team
