

# Succeeding in the *Job Market*

## FREE Online Job Training for English Learners

Every Friday from 10 AM to 2 PM

### What we'll cover:

**SF Goodwill** is offering a new educational opportunity for unemployed English learners in the community who were impacted by the COVID-19 pandemic and crisis.

This full-day workshop, entitled "**Succeeding in the Job Market**," includes units on resume development, interviewing, and preparing for the first day on the job. Each student receives one-on-one support from the instructor, and those who are interested can sign up to practice their English skills with volunteers from Google.

Upon completion of the workshop, you will receive a FREE 3-month **LinkedIn Learning** subscription (\$90 value)
