

SCION

— STAFFING —

WE'RE HIRING!!!

Scion Staffing has been successfully finding people work and companies' people. Our team of passionate recruiters are available to start helping you today.

Sanding Finisher: This position starts right away, is full-time, onsite in San Leandro, CA and starts at \$17.00 hourly, plus sick time, medical benefits, and 401k after one year. There is a ton of room for professional growth in long term title, responsibilities, and also earnings! This is an incredible opportunity for motivated candidates who want to learn new skills and grow professionally! We are looking for attentive Sanding Finishers to be trained, help us create awesome products, and be part of an awesome team at a wonderful company!

Case Manager: The Case Manager is responsible for providing support services to formerly homeless single adults in accordance with the organization's mission, core values, and customer service philosophy. This position helps to support tenant stability and well-being by providing compassionate services using harm reduction, motivational interviewing, and other best practice techniques.

Facility Maintenance: Maintain and implement preventative maintenance programs. Perform maintenance of interior and exterior buildings including painting, construction, renovation, repairs, equipment, and furniture installation. Working knowledge of building systems and facilities operations. Monitor, maintain, troubleshoot, and supervise facilities repair tasks related to all building related maintenance. Monitor facility and equipment conditions, make recommendations for maintenance or improvement.
