*Looking for a rewarding career in your community?
Join our Crestwood Behavioral Health team and make a difference!*

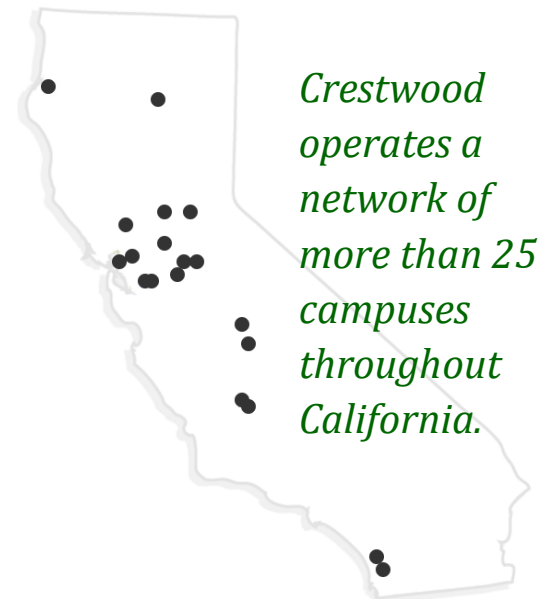

Crestwood Behavioral Health Inc. is proud to be California's leading provider of mental health services, assisting thousands of clients and their families from across the state for more than 50 years. We are committed to creating innovative recovery programs and developing compassionate communities. Our services support each client to recover with an enhanced sense of resilience by providing a wide-range of wellness tools, peer, staff and natural supports.

Our Nurses provide direct nursing care to the clients according to physicians' orders and applicable client care standards, within their scope of practice. The nurses provide direction to non-licensed personnel in providing direct client care and operation of the unit.
