IEC Goal Validation Rubric

Comprehensive Program Review 2021-2022

Program/Unit: _____

Instructions: In the table below, enter the description of each goal provided in the Program Review. Assess each goal with respect to criteria A, B and C. If the goal meets the criteria, enter 'YES'. If the goal does not meet the criteria, enter 'NO'. Provide comments and observations, where applicable, in the far right column.

Description of Goal	Criteria A: Goal is relevant, i.e. aligned with college and District goals (to be found Institutional Research website).	Criteria B: Goal is specific and measurable: there are metrics to meet the goal.	Criteria C: Goal has a specific timeframe and is achievable.	Comments & Other Observations
