LH838: Creative Expression with our Fall Flowers and Botanical materials. This class series explores a variety of designs appropriate for use as dining centerpieces.

***Reserve** a space at the design table by contacting Kay Wolff: wolff.kay@gmail.com
Registration may be completed the first evening of class.

Our Floral Design classes are popular and they do fill quickly, but sometimes space does open up— for whomever is next on the waitlist (as it did recently after the 1st session of LH826 Influences of Continental Design [8/20–10/8]). Have hope, think positive, and contact Kay for a waitlist spot!
