**Refund Policy:** If a class is canceled, we'll keep the fees in your account to be credited to your next class. Refunds are issued only upon student request, and are subject to a transaction fee – equal to the amount PayPal initially (and non-refundably) charged us to process the fees now being refunded ... we can absorb these paypal payment processing costs as long as the payments stay in class fees. An advantage to Zoom classes is: recordings... that gives you more options to “attend” classes. If conflict arises and you'll have to miss a class you enrolled in, be sure to let us know prior to the live class session start time, then schedule a time for your retroactive attendance/class viewing. Some recordings may not be available as long as others. View-by dates will be posted to [www.landhortnursery.org/fee-based-courses](http://www.landhortnursery.org/fee-based-courses)
