We're Open!

We are now open in the L-Building on the 2nd and 3rd floors! Our Intersession and Summer hours are 9 AM to 1 PM Mondays through Thursdays. We are closed Fridays and weekends. Come by and use the great new resources featured below!

Group Study Rooms

We have 3 new study rooms for group projects. You can reserve a room up to a week in advance by visiting the Circulation Desk.

To access the room, please return to the Circulation Desk at your chosen reservation time with your Student ID card. At least 2 students must be present to gain access to the room.

Circulating Books

We have books to browse and check out for use at home. To find a book, speak to a Reference Librarian at the Reference Desk. Your Student ID card is required to check out a book.

More Computers

We have even more computers available for you to use! All you need to use a computer is your student ID number. This will serve as your password. For help accessing computers, speak to a Reference Librarian.

Latest Magazines

We now have the latest issues of many of our magazines on display! The latest issues are kept on the stacks next to the Periodicals Desk. Older issues are kept behind the Periodicals Desk. To see the older issues, come to the Periodicals Desk with your Student ID card. You can borrow periodicals to use in the library for 2 hours.
