

Urban Farmer Assistant for Home Garden and Orchard ~1 mile downhill from Merritt.

Monthly help needed for all kinds of garden needs from basic hedge trimming and weeding to seasonal pruning to plant selection. This varied gig offers someone with knowledge of landscape horticulture, edible landscaping, garden construction and permaculture principles to keep our garden and grounds well tended and bountiful. Have you got something you'd like to grow and no space to grow it? Let's talk. Your ideas for improvements and innovation are most welcome. Offering \$100/month or about ~5 hours of paid work.
