Highlights of the Regional Institute

The Center for Excellence and PTK HQ, Jackson, MS. Jessie San, NV/CA Regional VP of Technology and Barbara A. Dimopoulos, Treasurer for the NV/CA Regional Alumni Association on tour 11/5/2021 with Dr. Lynn Tincher-Ladner, President and CEO of PTK. (Photos L-R: Entrance – Jessie and Barbara, Dr. Lynn’s office, Dr. Lynn addressing the visitors from the Regional Institute. The award-winning video-documentary [PTK Celebrates 100 Years](#) shown on screen. Check it out!)

The [Civil Rights Museum](#), Jackson, MS. “One Mississippi, many stories.” “You can not know where you are going, until you know where you have been.” It may look small; however, it would take days to cognitively and to emotionally process the amount of information that is so cogently presented to visitors. This was an experience we will all remember.

General Session 5: A Conversation with Civil Rights activist, author, political advisor, and veteran, James Meredith and John Meredith, his son, also a Civil Rights activist, lobbyist and City Councilman with Susan Edwards, Associate Vice President of Honors Programming and Undergraduate Research on Saturday, November 6, 2021. A question-and-answer session followed. (Photos L-R: Susan Edwards, James Meredith, and John Meredith)
