Mobile Outreach

Non-profit organizations [Operation Dignity](#) and [Building Futures](#) provide basic necessities to those experiencing homelessness while working on stabilizing their situation and helping them to find housing.

Dine and Connect

Held on the last Monday of each month, diners lead by Alameda's faith-based community provide more than just a warm meal to those experiencing homelessness. Alongside dinner, this program connects individuals to services and resources and fosters community with an opportunity for individuals to meet, talk, and connect.
