

Academic Grade Grievance

(AP 5530)

When a student has a complaint regarding their grade they will complete and submit the Academic Grade Grievance. The college designee will verify that the process noted in (AP 5530) is followed.

Appeal Procedures

Informal Process and Procedures

Step 1:

Within 30-days of the allegation, each student who has a grievance shall make a reasonable effort to resolve the matter on an informal basis. The student shall make an appointment with the instructor during the instructor's office hours or at a mutually agreed upon time, in order to discuss the complaint. If for any reason, the student is unable to confer with the instructor, they must then consult with the Department Chair/Staff Member and/or Division Dean/Administrator or Manager. Every effort should be made to resolve the issue at this level.

Step 2:

If the student wishes to have their academic grievance reviewed further after completing **Step 1**, **they should file an approved grievance complaint form with the Vice President of Student Services (or designee) within 90-days of the incident. Failure to file a formal complaint within such 90-day period constitutes waiver of the student's right to appeal.** The complaint must include the following:

- a) The exact nature of the complaint
- b) The specific details of the complaint (e.g., a chronology of the event and an explicit description of the alleged violation)
- c) A description of the informal meeting and attempted resolution, if any
- d) The specific resolution/ remedy sought

The Vice President of Student Services (or designee) will verify that the grievance has been submitted in a complete and timely manner and provide the documents to the person against whom the grievance has been filed. The Vice President of Student Services (or designee) will provide the student with a written copy of the policy and procedures. Will answer all questions regarding the policy including the student's rights and responsibilities in the process of filing a grievance and inform the student that a grade change may only be made where there is a finding of fraud, mistake, bad faith or incompetence. The student and Vice President of Student Services (or designee) shall attempt to reach an informal resolution.

Formal Process and Procedures

If an informal resolution cannot be reached after meeting with the Vice President of Student Services, the Vice President of Student Services (or designee) shall initiate the formal process of convening the grievance hearing committee. The Vice President of Student Services (or designee) will request records and documents from the student filing the complaint and forward copies of all documents pertinent to the alleged violation to the Chair of the Grievance Committee and the parties.

Within 90-days following the receipt of the grievance complaint form, the Grievance Hearing Committee shall conduct a hearing.
