The tab will take you to the Merritt College before and after earnings page.

Step 2 Changing Characteristics

To find the student demographics look to the right of the page. You will notice that there are several fields to choose from. One can choose from the following: Gender, Ethnicity, Age Group, Disability, Completer, & Transfer. Note: There is a margin of error when selecting the demo graphics.

The screenshot shows a web interface with a light blue background. At the top left, there is a section titled "Margin of Error" in a light green box. Below this, there is a table with two columns: "After" and "Before". The "After" value is \$1.33 and the "Before" value is \$1.42. To the right of these values are small up and down arrow icons. Below the table, there are two radio buttons: "Earnings After" (which is selected and highlighted in pink) and "Earnings Before" (which is unselected and highlighted in blue). Below the radio buttons, there are several dropdown menus, each with "All" selected. The dropdown menus are labeled: "Degree Type", "Top Code ...", "Ethnicity", "Gender", "Age Group", "Disability", "Completer", and "Transfer". At the bottom left, there is a label "Number of responders with these demographic" followed by the number "8818".
