Merritt College Library Newsletter

Located in L-Building 2nd and 3rd floors

September 2014

Fall 2014 Hours: M-Th 8 AM-7 PM
F 8 AM-3PM

Vol. 1 No. 6

Welcome Desk

We now have a Welcome Desk located in the Lobby right before the security gates.

Student assistants and safety cadets will be

stationed there to answer questions or give any directions you may need.

Please remember: there is no food, drink, or cell phone use allowed in the library.

New Books

Have you seen this section on the Library homepage?

Now you can see an updating list of all our new books! Click on the covers to get more information.

New Books are located on the 2nd floor on your right as you walk in.

Featured Resources

The **Opposing Viewpoints in Context** database contains resources covering today's hottest social issues like climate change and health care from all perspectives. The database is available off-campus via login using your student/faculty ID number and last name.

Our **Hot Topics** collection is another good resource for assignments on controversial issues or current events. The collection is located behind the Reference Desk and is available for Library use only.

Remote Access

You can access databases and e-books from home! Simply navigate to the database or e-book page on the library website and enter your name and faculty/student ID when

prompted. Speak to a Librarian if you have questions or require assistance.

Meet Christana!

Christana is the evening Library Technician for the Fall 2014 semester. She began as a student assistant in 2010, moved up from student assistant to Library Tech and graduated Merritt in 2013. She will be here in the evenings to assist you

with reserve materials, circulation check outs, computer, printer and copy machine help, as well as any other questions or concerns you may have.
