LIS 085

We are now offering LIS 85 in conjunction with SOC 120. This exciting new partnership between our own Adoria Williams and the Sociology department's Dr. Clay will familiarize you with database searching, fulfill your computer literacy requirement for graduation, and make you a better researcher!

This section of LIS 85 runs from 2/16/16 to 4/11/16 and is an 8-week, 2 unit online class. An additional section of LIS 85 will run from 3/28/16 to 5/23/16.
