

Lichens are everywhere: under your feet, on city trees, shaping ecosystems in the Bay Area and around the world.

Learn about the mysteries of lichens this spring at Merritt College!

### **Natural History of the Bay Area: Lichens**

Mondays 6-7:50 PM 3/9-5/11, plus three weekend field trips (2 units)

BIOL 61K (Course 23697)

Enroll at <https://www.merritt.edu/wp/steps/>
