

Merritt College

Class Schedule SPRING 2020

We Change Lives!

Hello and welcome to Spring 2020!

We are so glad that you chose Merritt College as your pathway to discovering, exploring, and achieving your personal and career goals.

Merritt College offers you experienced, knowledgeable, and student-centered instructional and counseling faculty as well as caring and nurturing staff and administrators. In addition, there is an array of classes, programs, certificates, and degrees to pursue such as Child Development, Horticulture, Genomics, Microscopy, Fire Science, Emergency Medical Technician (EMT), Radiologic Technology, Nursing, Medical Assisting, Cyber Security, Administration of Justice, Nutrition,

Paralegal, Athletics and Kinesiology and more! All of our science and health classes are held in the beautiful new Barbara Lee Science and Allied Health Center with a view of the entire Bay Area.

Our college also provides excellent academic and student support services, including the Learning Center for tutoring and more, Counseling for both academic and personal assistance, Financial Aid, scholarships, and Veterans Services. Our special support programs are CalWORKS and EOPS/CARE for students with children or those who meet other eligibility criteria of these programs, the Merritt childcare center, the NextUp (CAFYES) office for current or previous foster youth, and Student Accessibility Services Program which provides support to students with learning and/or physical disabilities.

Learning Communities have been established for all students as an additional and unique way to learn. A few of our learning communities include Puente, Sankofa (Umoja), and First-Year Experience (FYE). Also summer bridge programs, such as Adelante, Math Jam, and Cyber Patriots help our students and community youth by offering new, fun, and interesting ways to meet their goals.

As Merritt College recognizes the importance of the community that supports us, we have formed partnerships with organizations to create fantastic “win-win” programs serving the college and the community. From the Oakland Unified School District and the Oakland Police Department to the Alameda Allied Health Systems and local hospitals and clinics, we are working together to benefit the entire community.

Student success, equity, and social justice are Merritt College priorities. No matter who you are or what neighborhood or nation you come from, you are welcome and will be supported here. So come join the thousands of students who are fulfilling their dreams and goals can see the future from here... because, as we say at Merritt College—We Change Lives!

Sincerely,

Dr. Marie-Elaine Burns
Merritt College President

Admissions Information

Who May Register?

All persons 18 years of age or older are eligible for admissions as a California resident or nonresident. Anyone under 18 years of age who is a high school graduate or has been awarded a GED or California High School Proficiency Certificate may also enroll.

Unless expressly exempted, or entitled to a waiver, all students enrolling for college credit must pay the enrollment fee.

Adding A Class

If a class is open, students can enroll online or in the Admissions and Records Office at any campus. If a class is closed, students can add their name to the Wait List prior to the first day of class. After the first day, instructors will issue a permission number or sign an Add form if space is available. Students who are present and on the wait list will be given first priority. Students who do not attend the first class may be dropped by the instructor. **The last day to add a regular session class is February 2, 2020.**

Dropping A Class

It is the student's responsibility to drop classes that they do not wish to attend. Students can drop classes online or in the Admissions and Records Office on campus. Students will be charged for classes not dropped by **February 2, 2020** (the last day to drop regular session classes and receive a refund). However, instructors may drop students for non attendance during the first week of classes.

PASS/NO PASS Option

Step 1: Check the college catalog to see if your class is eligible for P/NP grading.

Step 2: Go to your Passport Student Center to choose P/NP on or before **February 7** for regular session classes.

Residence Requirements

A person must have lived continuously in California for **at least one year** immediately preceding the residence determination date to be considered a resident for tuition purposes. Evidence must also be provided to indicate that the person has intent to make California his/her permanent home.

A student must be a U.S. citizen or hold a U.S. Immigration status that does not prevent establishment of residency.

Evidence of residency must include one of the following:

- A valid California ID or driver's license
- California State income tax return for the previous year
- Receipt for payment of residential property tax
- Rental or lease agreement showing continuous occupancy in a California property
- Active military ID card

Nonresident Tuition Exemption

A student is exempt from paying nonresident tuition if the student meets all of the following four requirements:

1. The student must have: attended a combination of California high school, adult school, and California Community College for the equivalent of three years or more, [1] **or** attained credits earned in California from a California high school equivalent to three or more years of full-time high school course work and attended a combination of elementary, middle and/or high schools in California for a total of three or more years, [2] **and**
2. The student must have: graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or California High School Proficiency exam), **or** completed an associate degree from a California Community College, **or** completed the minimum requirements at a California Community College for transfer to the California State University or the University of California, **and**
3. The student must register as an entering student at, or current enrollment at, an accredited institution of higher education in California, **and**
4. The student must file an affidavit with the college or university stating that if the student is a non-citizen without current or valid immigration status, the student has filed an application to legalize immigration status, or will file an application as soon as the student is eligible to do so.

Concurrent/Dual Enrollment/High School / Other Students

In accordance with California Education Code, section 76001, high school students may enroll as special part-time students. Enrollment must be recommended by their principal, with parental consent. Units earned will be granted as college credit. The high school may grant high school credit for courses taken from the Peralta Colleges.

The student must follow all of the regulations and policies of the college, including adhering to assessment and any prerequisite requirements. A high school student whose high school counselor recommends that the student enroll in more than six units must have the approval of the Vice President of Student Services at the college of enrollment.

All California Community College fees will be waived for special part time high school students. However, full-time (enrolled in more than 11 units) concurrently enrolled high school students are subject to pay tuition fees and all other fees.

Military Residence Exemption

Nonresident U.S. military personnel and on active duty in California (except those assigned for educational purposes to state supported institutions of higher education) and their dependents are granted a waiver of Nonresident Tuition until they are discharged from the military service.

International Students

Special regulations govern the admission of international students. These students should contact the Office of International Education for applications and admissions at (510) 466-7380, or FAX (510) 465-3257. The Office is located at the Peralta Community College District 333 E. 8th Street, Oakland, CA 94606.

COMMON ENROLLMENT ISSUES

HOLDS

STEPS TO CHECK HOLDS

- Go to your "Student Center"
- Review the "Holds Section" on the right side of the student center page.
- Click on the "details" link in the holds section to review how to clear the hold.

Holds Section

ERROR MESSAGES

STEPS TO REMEDY ENROLLMENT ERROR MESSAGES

1. CHECK ENROLLMENT APPOINTMENT DATE

- Review the "Enrollment Dates" section on the right side of your student center.
- If you have been assigned an enrollment appointment, a specific date will appear in this section. You may enroll beginning on this date.
- If you only see "Open Enrollment Dates," this means you have not been assigned an enrollment appointment. You may enroll once open enrollment begins. Click the link to review open enrollment dates.

Enrollment Error Message

- This error message indicates either:
1. Enrollment appointment has not yet started OR
 2. Discontinued Status

Enrollment Dates Section

2. DISCONTINUED STATUS

Discontinued Status means you have not attended one of the Peralta Colleges within the last two main semesters and you will need to submit a new OpenCCC/CCCApply application to enroll in classes.

<http://web.peralta.edu/admissions/apply/>

OpenCCC/CCCApply Application Issues:

If you submitted a new application more than 48 hours ago and still receive enrollment error messages, contact reset@peralta.edu (include your full name, OpenCCC/CCCApply confirmation number, and if applicable, your student ID)

Financial Aid

How to apply for Financial Aid

Apply for Federal Student Aid at <https://fafsa.gov>

Or download the 'MyStudentAid' app to complete the FAFSA

Apply for State Student Aid at <https://dream.csac.ca.gov>

Allow up to 5 business days for us to receive your **FAFSA** or **Dream Act** application. Don't forget to add our school codes:

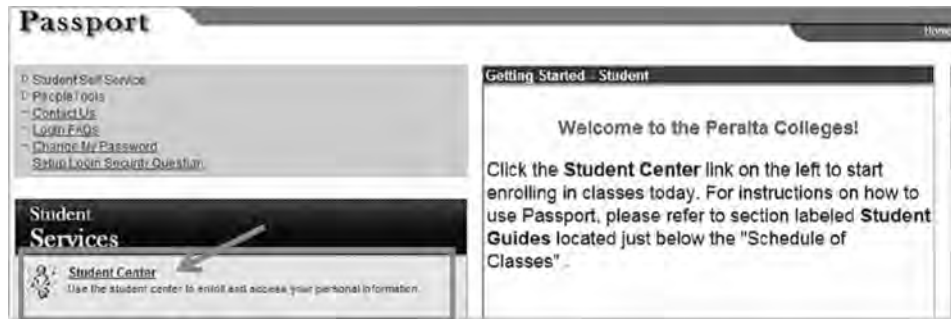

Berkeley City College (014311), College of Alameda (006720), Laney College (001266) and Merritt College (001267)

Check your Financial Aid Status on your Peralta Passport account

STEP 1: Login to your Passport Account

STEP 2: Go to your Student Center

STEP 3: Follow the instructions in your To Do List

The To Do List is below the Holds Section on the right side of your Student Center Page. Completing your To Do List items will allow the Financial Aid Offices to review your file.

See example below:

STEP 4: Review your Financial Aid Award Summary and Cost of Attendance

Click on the View Financial Aid link to review your Award Summary for award details and Financial Aid Summary for cost of attendance. Initial awards are based upon full-time enrollment. Awards are subject to revision based upon student enrollment and satisfactory academic progress status.

The screenshot displays a web application interface for financial aid. On the left, a sidebar menu under 'Finances' includes 'My Account' (with links for Account Inquiry and Payment Profile), 'Financial Aid' (with links for View Financial Aid and Accept/Decline Awards), and a dropdown menu currently showing 'other financial...'. A message box at the top right states: 'You have no outstanding charges at this time.' The main content area is titled 'Financial Aid' and 'Award Summary' for the 'Federal Aid Year 2018 - 2019'. It instructs users to 'Select the term hyperlinks below to see more detailed information:' and provides a table of aid awards. Below this table is a 'Financial Aid Summary' section for the same year, which includes a table of estimated costs and aid. A text box at the bottom left explains that the summary reflects the estimated cost of attendance and is not the award summary.

Fees Information

California Community College Enrollment Fee

All students are required to pay a California Community College Enrollment Fee. This fee will be collected at the time of enrollment into classes and shall be \$46 per unit for the semester. *Enrollment fees are subject to legislative changes throughout the year. Contained within the current State budget mid-year enrollment fee increases may be enacted should State revenues fall below estimates. Students will be advised on any implementation of fee increases prior to the fees taking effect.*

Campus Center Use Fee

In addition to the California Community College Enrollment Fee, there will be a Campus Center Use Fee of \$2 per semester, per campus (excluding off campus locations), to be collected at the time of enrollment.

Non-Resident Tuition

Students who are not residents of California for one year and one day prior to the first day of the term, or do not qualify for nonresident status known as "AB540," will be charged nonresident tuition. Nonresident tuition is charged at the rate of \$258 per semester unit plus the \$46 per unit California Community College Enrollment fee totaling, \$304 per semester unit. Additionally a \$2 per semester, per campus Campus Center Use fee will be charged.

Capital Outlay Fee

Nonresident students of the State of California will be charged a Nonresident Capital Outlay Fee, in addition to the Nonresident Tuition, California Community College Enrollment Fee, and the Campus Center Use Fee. The Nonresident Capital Outlay Fee is \$7 per semester unit.

AC Transit EasyPass Fee

All students enrolled in 6 or more units are required to pay an AC Transit EasyPass fee of \$42.29 per semester. This fee will be collected at the time of enrollment. With EasyPass, you can ride all AC Transit bus lines, including local and Transbay service, at all times. Plus, you save over 94% off the local rate and 96% off Transbay service. **Please note: This fee is non-refundable unless you drop below 6 units on or before the last day to drop regular session credit classes and receive a refund or if you have a documented medical/disability that precludes you from using this service. (Document required)**

Student Representation Fee

Under Education Code §76060.5, each college Student Body within Peralta CCD elected to establish a Student Representation Fee of \$2.00 per college, per semester for each student. This fee will provide support for students or representatives who present college positions and viewpoints before city, county, district governments, and offices and agencies of the state and federal governments. Students will be charged this fee unless a Student Representation Fee waiver form is submitted to the college Bursar's Office before the last day of the semester charged.

Health Fee

All students are required to pay the Student Health fee of \$18.00 per semester for Fall and Spring semesters (\$15 for Summer session). This fee will be collected at the time of enrollment. The Health fee is subject to change as allowed by the State Legislature. NOTE: Students who qualify in the following categories will be exempted from payment of the health fee.

1. Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization (documentation required).
2. Students who are attending college under an approved apprenticeship training program.

International Health Insurance Fee

All F-1 international students will be automatically enrolled in the mandatory health insurance program through GeoBlue. Fees will be automatically applied in the student's Passport Student Center. For questions or waiver information please visit our office or international website at web.peralta.edu/international.

Other Fees

Refund Information

IT IS THE STUDENT'S RESPONSIBILITY TO DROP CLASSES!

Students are expected to attend all classes in which they are enrolled. If you do not attend, or stop attending classes, and fail to personally drop by the drop deadline, you will be responsible for all tuition and fees. Not attending classes does not warrant a refund of fees. It is the student's responsibility to drop all classes which they are not attending.

For specific refund dates, please visit www.peralta.edu and search Fall Refund Drop Deadline Schedule. This includes the refund dates for Regular Session, Short-Term and Late Start Courses.

Refund Procedure for Enrollment Fees

A student who cancels his/her registration prior to the first day of instruction, or officially withdraws from all classes during the first two weeks of instruction, shall be entitled to a full refund less a \$10 processing fee. (This must be done whether you attend the class or not.)

If a student pays an Enrollment Fee of less than \$10, and cancels his/her registration or withdraws from all classes before the deadline, the processing fee shall equal the Enrollment Fee.

No refund of the Enrollment Fee will be made to any student who withdraws from classes after the first two weeks of instruction.

A student may request a refund up to the end of the following term in which the refund was due. After that time, the student will not be eligible for the refund.

To apply for an enrollment fee refund, file an Application for Refund Request form at the Cashier's Office on campus.

Once the request is submitted, refund processing time is 4 to 6 weeks (after last day to add classes) during peak periods and 2 to 3 weeks during off peak periods.

Refund Procedure for Non-Resident Tuition and Capital Outlay Fee

- Students will receive a full refund for any class cancelled by the college.

Regular Session Classes:

- A 100% refund of Nonresident Tuition and Capital Outlay Fee (minus a \$10 processing fee) will be made for any class in which the student withdraws through the Last Day to Drop Regular Session Classes And Receive a Refund.

Refund Procedure for Short-Term, Late Start and Open-Entry/Open-Exit Classes

- A student enrolled in a short-term class will receive a 100% refund (minus a \$10 processing fee for residents) if he/she officially withdraws within the first 10% of the class length. No refunds will be issued after the first 10% of the class length.

For specific dates, please visit www.peralta.edu and search Refund Drop Deadline Schedule. This includes the refund dates for regular session courses and short/late start courses.

Refund Procedure for Variable Unit Classes

No refund shall be made for variable units not earned by the student.

The State-mandated Enrollment Fees will be fully refunded if an action of the college (e.g. class cancellation) prevents a student from attending class. A student may, upon request, obtain a refund up to the end of the following term in which the refund was due. After that time the student will not be eligible for the refund.

Please note: Instructors may drop students who do not attend the first class meeting.

Refund Procedures for AC Transit EasyPass

This fee is non-refundable unless you drop below 6 units on or before the last day to drop regular session classes and receive a refund.

Refund Procedures for Health Fee

This fee is non-refundable unless all classes are dropped on or before the last day to drop regular session classes and receive a refund.

The Peralta Community College District participates in the State of California Chancellor's Office Tax Offset Program (COTOP). Past due accounts may be submitted to COTOP by the Peralta Community College District. This enables the State of California Franchise Tax Board to appropriately intercept any tax refunds, lottery winnings or unclaimed property that might be owed to you.

General Information

Allied Health Programs/Application Deadlines

Associate Degree Nursing (R.N.) Program

Admission is by special application directly to the Nursing Department. Applications are accepted from the first Monday in February through the second Thursday in March. Please refer to the ADN program's website for more information <http://www.merritt.edu/wp/nurs/>. Students may apply for admissions only once per year. At that time, the student's transcripts will be screened to be determined whether the student is eligible for admissions based upon the State Chancellor's Advisory Model Prerequisites. In order to apply for admission into the ADN Program, students must complete the admission prerequisites (Group A), and other admission criteria. Please refer to the online brochure for full admission details. No materials will be accepted after the March deadline date.

Emergency Medical Technician I Program

Eligibility requirements (prerequisites) of first aid (Standard First Aid or equivalent) and CPR (for Professional Rescuer - Red Cross, or CPR per American Heart Association Guidelines 2014 for the Healthcare Provider, or ASHI CPR PRO) must be completed prior to enrollment and students must attend the first class session with proof of certification in these areas. Written proof of health clearances (recent TB skin test within 9 months of beginning of class, and hepatitis B vaccine with completion of 2 of 3-shot series by beginning of class) must be submitted by the second week of class.

Medical Assisting Program

Admission to the program is on a first-come/first-served basis. This is a one-semester program. This includes MEDAS 201A and 201B for 12 units and COUNS 207C for 1 unit followed by externship in of 160 hours in local Medical Clinics (Coped 470F for 2 units). Requirements include health clearances (physical examination, negative TB test results, and recent immunizations) and a co-requisite of HLTED 11, CPR (or CPR/BLS & First Aid certification). HLTOC 201, Medical Terminology I, is recommended as general preparation for the course. An English/Math assessment is also required.

Nutrition and Dietetics

Students interested in completing either the Certificate of Achievement in Dietary Management (DSS) or an Associate of Science degree (AS) in Dietetic Technology must complete the core nutrition classes and any other required academic coursework before applying to the program.

All eligibility requirements, including academic, medical clearance, and background check, must be met at the time of application. Students are enrolled each semester, based on eligibility and available space in the program. Please refer to the Merritt College course catalog for all academic requirements and the Nutrition and Dietetics Supervised Practice Handbook (at <http://www.merritt.edu/wp/nutr/>) for more information on enrollment and expectations.

Radiologic Science Program

Admission is by special application directly to the Radiologic Science Program. Applications are accepted from January 15th to April 15th in even-numbered years only. Due to the number of applications received and the limited number of spaces available in the program, applicants are usually placed on a wait list with priority for entry granted to those waiting the longest. All eligibility requirements must be met at the time of application, including completion of all prerequisite courses and General Education requirements for the Associate Degree. Students wishing to apply to the program must call 510-436-2422 to make an appointment with the Radiologic Science Evaluation Counselor (during the application period in even numbered years). The counselor will review transcripts and provide application materials to qualified individuals at the appointment. Please visit the program's website for more information: <http://www.merritt.edu/wp/radsc/>

Student Support Services

Africana Center

The Africana Center is open for the community to visit on a daily basis from Mondays through Thursday from 9 a.m. to 3 p.m. Visitors are invited to interact with the Center's custom digital curriculum on four areas of African American history, life, and culture and to meet the Center's Black Family Research Specialist who is training students on documenting their own family histories. The Center is located in Building L, Room 127, or telephone 436-2492.

Alternate Media Services

Alternate media services will be provided to students, staff, and community members whose disability-related limitations prevent them from accessing printed materials in its standard or published format. The class schedule and other educational materials that are available in alternate formats, are Braille, large print, audio file, or electronic text. Call the Alternate Media Specialist at (510) 434-3910 or 436-2429 to place a request, or go to Building R, Room 109B.

Assessment Office

The Assessment staff and counselors review multiple measures to advise students on appropriate courses for enrollment. Multiple measures are obtained from your high school transcripts or through tests administered by the Assessment Center. Find out more information in this schedule or on the website. The office is located in Building R, Room 109, or telephone: (510) 436-2562.

Associated Students of Merritt College (ASMC)

ASMC is the official student body organization of Merritt College. Every student enrolled in Merritt College is a member of ASMC. ASMC is a self-governing student organization representing all Merritt College students. ASMC is comprised of the Executive Council, the Senate and the Inter-club Council. The officers consist of the: President, Vice President, Treasurer, Secretary, Inter-Club Council Chairperson, Chief of Justice, two Associate Justices, and 13 senators. Merritt students who are enrolled in six or more units and in good academic standing are eligible to run for ASMC Council. The officers of the ASMC are elected or appointed in accordance with the student body constitution. Active participation in the student council provides students with the opportunity to collaborate with students, staff, faculty and administration to have voice and input regarding campus concerns. ASMC also assists in the development of co-curricular programs where student leaders apply their own innovation and vision to bring new programs to the campus.

ASMC offers student leadership opportunities to participate at all levels of student government through Campus, District, Participatory governance, Region III Meetings, and Conferences to represent the college. Through the campus participatory governance and district meetings student leaders participate in problem solving, which impacts the formulation of general college policies. The ASMC meetings are open to the public and students are encouraged to attend. ASMC is a member of the California Student Association of Community Colleges. Contact 434-3982.

Bookstore

The Bookstore is located in Building R, Room 101. The bookstore does not accept personal checks; however, Visa, American Express, MasterCard, Travelers checks and cash are acceptable. Books may also be ordered online at efollett.com. Telephone number: (510) 436-2438.

- Please be careful before opening shrink-wrapped sets. Many contain electronic media, and are only returnable if they are defective.

!DON'T LET THIS HAPPEN TO YOU!

The Merritt College Bookstore and the Peralta Sheriff's Department are concerned about protecting your academic needs. We would like to take this opportunity to offer you hint(s) in protecting yourself against the theft of textbooks and other personal items. Losing your textbooks to theft can not only be a costly experience (the cost of replacing your books), but also very inconvenient. Both students and the Bookstore lose thousands of dollars a year to textbook theft.

SOME WAYS TO PROTECT YOURSELF:

- Keep a detailed listing of your textbooks.
- Place an identifying mark in each book, in a location known only to you, i.e., significant date on same page of each book.
- Do not leave books lying around, unprotected and unattended.
- If your books are lost or stolen, IMMEDIATELY report the incident to both security and the Bookstore. Provide each with a list of the books and inform them of your identifying marks.

The Merritt College Bookstore, in partnership with the Peralta Sheriff's Department, reminds you to protect yourself and your belongings from theft, and to report any suspicious activity or incidents to security immediately at 436-7236. After filing a police report, please report the theft of your textbooks to the bookstore at 436-2438. The Merritt College Bookstore and the Peralta Sheriff's Department will aggressively pursue all cases of book theft and fraud associated with selling back stolen books.

CalWORKs

Merritt College works in collaboration with the Alameda County Department of Social Services to help families with dependent children transition from welfare to work. The program provides support services to students who are enrolled in classes and who are currently receiving aid for dependent children. Services provided include academic, personal and career counseling; work-study opportunities; and referrals; design of individualized student education plans; job placement; employment readiness skills workshops/classes; supervised study time; life skills and special interest workshops; and information and referrals to other student services, support services and agencies. The Department of Social Services provides transportation vouchers and checks for student supplies and books on a limited basis. For more information, contact the CalWORKs Office in Building R, Room 128, (510) 436-2469 / 436-2449.

Campus Parking and Traffic Regulations

Students must park their vehicles only in authorized lots on the west and south sides of the campus (Lots C, D, and E) and must pay a parking fee of \$2.00 a day (exact change only). Semester parking permits can be purchased from the college Cashier's Office. Permits are not replaceable and are not refundable.

Cashier's Office

The cashier's office (Bursar's Office), is located in Building Q, Room Q228. Cashier's office accepts personal checks. Telephone number: (510) 436-2407.

To qualify you must be a California resident, enrolled in at least 12 units (but not have completed more than 70 units), eligible for a Board of Governor's fee waiver A or B, and educationally disadvantaged. Services provided include orientation, priority registration, specialized counseling, academic planning, career guidance, academic progress monitoring, basic skills instruction, book services, and transfer assistance. EOPS is located in Building R, Room 109. For additional information, contact them at 436-2470 or 436-2473.

Financial Aid Office

The Financial Aid office offers information, applications and assistance about federal and states Financial aid. Fee waivers, grants, loans, scholarships, work-study, and others forms or assistance are available to students to cover fees, books academic expenses and other related costs. The Financial Aid Office makes every effort to assist students who are enrolled and are eligible for financial assistance. We want to make sure you understand all the financial aid options available to you and the steps to become successful. To become more familiar with Financial Aid, go to our list of Frequently Asked Questions before you start. For more detailed information, see the District's Student Financial Aid Handbook.

First-Year Experience (FYE)

First-Year Experience (FYE) is a year-long program designed to help incoming students ease into college life in a supportive environment. Dedicated faculty, staff, and counselors will work closely with students to make this transition successful. This experience will set the foundation for a successful journey through Merritt College and into a bright future.

How does FYE work?

FYE students are placed in a Learning Community with other students who have similar goals. The students continue in the Learning Community throughout the year taking specific classes together and meeting individually with their FYE counselor. The students also participate in experiences beyond the classroom, which includes field trips, teambuilding exercises, and the FYE/IMPACT Club on campus. These activities serve to strengthen the connection among students as they help each other succeed in college and form lasting friendships.

What are the FYE components?

Counseling

Students will take the Counseling classes listed below to prepare for moving on successfully to the second year at Merritt. Along with the courses, students will meet with a dedicated counselor throughout the year to develop an educational plan and help keep on track to meet their goals.

Communication

The FYE students will enroll in communication courses that will assist in developing their confidence and voice and help them effectively communicate with others. These skills are essential building blocks for academic success.

English

As part of the Learning Community, FYE students enroll in Reading and Writing courses, which are the core of student success. That's why FYE students are placed in their appropriate English level class in their first semester as part of their educational pathway. They will take either English 201A/B: Preparation for Composition and Reading or English 1A: Composition and Reading.

Lunchtime with Instructors

FYE students are encouraged to spend time weekly with instructors informally to cover topics as they wish to build their social skills. This could include class assignments, career opportunities, networking, and discovering resources on and off campus.

How do I know if I'm eligible?

To be eligible you must:

1. Attend an FYE information session.
2. Commit to the one-year program.
3. Attend the FYE welcome/orientation.
4. Apply for Financial Aid.
5. Be a full-time student (with a minimum of 12 units, including the FYE courses).
6. Be qualified to take English 201A or 1A and willing to take Counseling courses.
7. Be a new student or have completed less than 30 units of college courses.
8. Submit an FYE application.

FYE sounds great! How do I apply?

Download an FYE application here or pick up one up at the Counseling office in the R Building. Fill it out and return it to the FYE Program Coordinator Rosa S. Perez in Building R-109C. If you have questions, contact her at rperezflores@peralta.edu or (510) 434-3972.

- Other services, such as flu shots, massage and acupuncture, are offered periodically and are advertised in advance.
- All Health Center Services are confidential and free of charge.

High Tech Center

The High Tech Center offers services for students who:

- Are recovering from head injuries
- Have diagnosed learning disability
- Need accommodations/adaptive equipment

The lab contains state-of-the-art computer adaptations including voice recognition, screen readers, and spelling and math programs for students who participate in the DSP program. Students learn to use Microsoft Word to produce documents and desktop publishing projects. The High Tech Center offers classes on using the Internet and basic Web-page design. Assessments for Department of Rehabilitation clients are also provided. Students are advised to meet with a counselor in the DSP program before enrolling in these classes. For information call 436-2592 or call for an appointment with a DSP counselor at 436-2429.

International Student Services

F-1 Visa students can obtain admission information and Immigration and Naturalization Service regulations from Sean Brooke, Director of International Educational Development, at 466-7380. For information about assessment, contact the Student Personnel Specialist located in Building R, Room 109; telephone number: (510) 436-2562.

Learning Center (Self-Paced Classes, Tutoring Program, and Technology Services)

The Learning Center is open to ALL students who would like assistance with assignments in courses through out college. The mission of the Learning Center is to serve as a campus hub for ALL learners and to assist students in becoming more efficient, effective, and independent learners.

The Learning Center offers a credit course in Study Skill, LRNRE 280, which allows students to learn and practice essential study skills necessary to succeed in college – reading, note taking, memorizing and test taking. Students work at their own pace with the assistance of tutors and instructors. Student may enroll for 0.5 to 3 units up to the 12th week of the semester. Refer to the class schedule for more detail. The Tutoring Program provides students with academic assistance across the curriculum. Free tutoring is available for most courses at Merritt College.

Students are eligible for one-to-one or group tutoring if they are enrolled in a Peralta Community College District course.

Merritt students can use the computers in the Computer Lab and make use of current technology to access the Internet, use email, do laser printing, scan materials, and use educational software for academic classes. Tutors in the Computer Lab assist students with word processing tasks or in using software for classes.

The Learning Center is located in Building L, Room 122; telephone number: (510) 436-2442 or 436-2443.

Learning Opportunity Program

Merritt College has an open admissions policy for those students who meet the regular entrance requirements and who have completed testing and evaluation by a Learning Disabilities Specialist, another qualified professional or an agency. Students should be enrolled in at least 6 units (at least one academic course) to participate in the program.

Goals:

- Assisting students with learning disabilities in reaching their academic and vocational goals.
- Strengthening and developing students' individual learning styles to become independent learners.

Services:

- Assessment and evaluation of eligibility for the learning disabilities program.
- Identification of students' learning styles and modalities.
- Evaluation of academic skills.
- Compensatory learning strategies and techniques.
- Accommodations and services based on individual testing results.
- Computer-assisted instruction.
- Academic coaching.

Library

The Library, located on the second and third floors of the L Building (above the Learning Center), welcomes all students to use its facilities, resources, and services to support their academic studies. Open whenever classes are in session, the Library provides students with access to print and electronic books, research databases, course textbooks, and other reading materials. Computers, printers, and photocopiers are available for students to use for class assignments or research. Electrical outlets and WiFi throughout the Library allow students to use their own portable devices as well. In addition, students will find plenty of space for both individual and collaborative learning, including carrels, tables, and group study rooms. For distance education students, the Library offers electronic resources accessible off-campus and a chat service for connecting with a librarian for online assistance. Visit the library website at <http://www.merritt.edu/wp/library/>, call (510) 436-2557, or email ask@merritt.libanswers.com for more information.

Lost and Found

Lost and Found is located in the Student Activities Office, Building R, Room 124, telephone number: (510) 436-2535. Lost and found items must be claimed within six months.

Orientation

All new students at Merritt College are required to attend an Orientation to College session. This session lets you know what to expect at college, how often to see your counselor, information about planning your schedule, and where to find the resources that you need to succeed. See the Assessment and Orientation Schedule for times and locations. Contact us at (510) 436-2582 or (510) 436-2475 or visit us in Building R-Room 109

Police Services

Police Services is located in Building R, Room 117, and is available 7:00 am - 11:00 pm Monday through Friday.

Emergency Line: (510) 465-3456, or on campus at ext. 7236.

Non-Emergency Line: (510) 465-3514, or on campus at ext. 2668.

Puente Program

The goal of the Puente Community College Program is to increase the number of educationally under-served students who transfer to four-year colleges and universities. Puente students are provided with accelerated English writing instruction, sustained academic counseling, and mentoring from the professional community. Students must meet the following criteria to participate in the Puente Program:

- Must be interested in transferring to a four-year college or university.
- Must be eligible for English 201A/201B (determined by assessment or completion of prerequisites).
- Must make a commitment to work with the Puente counselor; and make a commitment to work with their mentors as designated by the Project Coordinator.

For further information, please contact the Puente Office in Bldg. P, Room 108, or email jsalceda@peralta.edu or anichols@peralta.edu.

Safety Aides

Safety Aides assist Police Services by patrolling the campus and its parking lots. Aides are available for escort services to and from parking lots. To receive assistance, please call (510) 436-2546.

Sankofa (Umoja)

Sankofa (Umoja) is an academic and student support service program at Merritt College focusing on historically underrepresented students and emphasizing successful completion of English, Math and Science and other academic disciplines. The program assists students with developing educational plans, degree and certificate completion, transfer assistance to four-year colleges and universities and connecting students with support services throughout the campus. Sankofa (Umoja), although specifically designed for underrepresented students, serves all students who desire the nurturing services provided by the program. For more information, please visit us in Building R, Room 106 or call 436-3956 or 464-3958.

Scholarship Information

Scholarship information can be accessed in the following ways:

- Postings on the Student Activities scholarship bulletin board located outside Building R, Room 105.
- Scholarships are also available on the Peralta Foundation website - www.peraltafoundation.org

Student Accessibility Services

Student Accessibility Services provides educational and vocational support services for students with disabilities who are enrolled in classes at the college. Services include academic, personal and career counseling; registration assistance; and liaison with four-year colleges and community agencies. The SAS office is located in Building R, Room 109A. Also see Alternate Media Services, High Tech Center, and Learning Opportunity Program entries. For more information contact us at 436-2429.

Student Activities and Campus Life

The Student Activities Office provides a variety of services and activities that enhance student life on the Merritt campus. The Office plans and implements a calendar of campus activities, presents an annual student leadership seminar, and in conjunction with ASMC, sponsors multicultural enrichment events. Services provided include housing bulletin boards, student ID cards and lost and found. For information contact the Director of Student Activities and Campus Life at (510) 434-3982. Visit the Student Activities Office in the Student Center, Building R, Room 124 or call (510) 434-3982.

Student Clubs and Organizations

Student clubs and organizations are located in Building R, Room 124; telephone number: (510) 434-3982.

Transfer Center

Located in Building R, Room 105, the Merritt College Transfer Center provides information about transfer activities and programs that link Merritt College and 9 U.C. Undergraduate campuses, twenty three California State Universities and many independent colleges and universities located throughout the Bay Area and the United States. Visit the center, or call (510) 436-2559 or (510) 436-2559 or (510) 436-2475 for more information on the following services:

- Transfer counseling (selecting a major, completing lower division requirements, etc.)
- Resource library of college catalogs
- On-line monthly calendar of transfer events
- Tours to four-year colleges
- To schedule appointments with visiting college representatives who provide application assistance
- Application, personal statement, and transfer workshops.

Veterans Services

Merritt College offers educational assistance to eligible active-duty military, retired, reserve personnel and their dependents, according to Title 38, U.S. Code, and California Education Code, Section 32320. The U.S. Department of Veterans Affairs and the California Department of Veterans Affairs determine eligibility for benefits under this program. For more Information, contact Veterans' Services at (510) 436-2581 located in Building R, Room 105.

Welcome Center

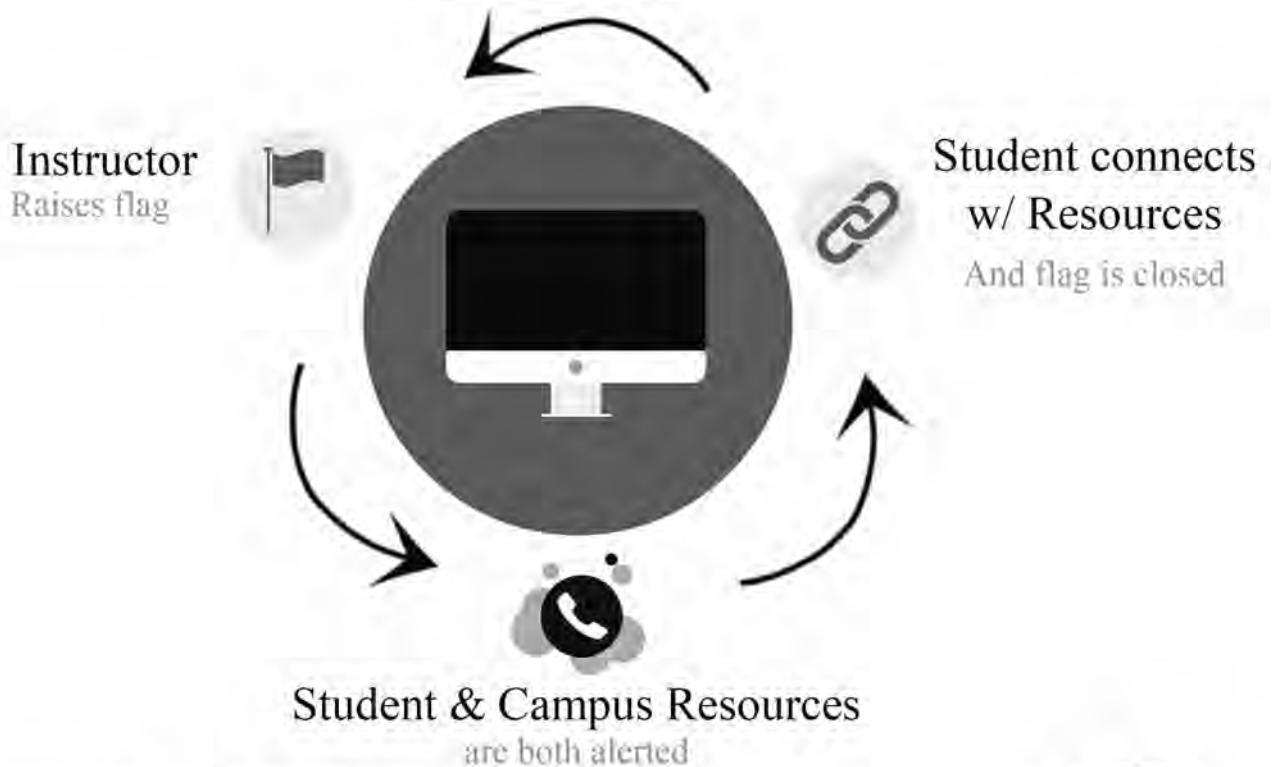

The Welcome Center provides courteous and professional customer service while relaying detailed information about college programs, services and policies to students, staff, faculty and our community members. We encourage students to utilize the Welcome Center to get patient assistance with our registration and enrollment process and/or referrals to the many support services that Merritt College offers. Additionally, we provide directions to and within the campus as well as scheduled tours. We welcome you to stop by Building R- Room 105 or contact us at (510) 434-2445

NOTE: Days and/or hours for any Student Services area are subject to change due to availability of funds.

What is Starfish / Early Alert?

Starfish/Early Alert is an online environment that supports students' success by identifying and connecting students to the appropriate resources. Starfish also empowers the student through "Kudos" and it alerts students when there are academic issues that may impact their grades. It offers opportunities for Instructors, Student Services and the students to work together to ensure academic success.

How it works

Instructors will also be able to:

- Make referrals to other offices on campus
- Give students kudos
- Make office hours visible to students online
- Create appointments, notes and send messages

For more information, please visit: <http://www.merritt.edu/wp/starfish/>

SPRING

Wait Lists

SPRING 2020

During registration, if you try to register for a class that is full ("CLOSED"), you will be given the option to add to the waitlist for that class until the waitlist fills. **Remember, being on a waitlist does not guarantee you a seat in a class.** If seats become available, those on the waitlist will be enrolled in the order they were added to the list.

Important: Passport will allow you to get on a waitlist, however, you will not be enrolled if you have any holds, time conflicts, repeat or prerequisite errors, duplicate courses, excessive units, or any type of registration error.

FREQUENTLY ASKED QUESTIONS

Can anybody get on a Wait List?

Anyone can get on a waitlist if the waitlist for the class is available, but you will be enrolled in the class if:

- you meet the class prerequisites
- the class time does not conflict with another class in which you are already enrolled
- you are not enrolled in another section of the same course
- you have no repeat errors or holds on your record
- the class units do not exceed your maximum allowed.

When the daily process runs and space in the class is available, if you are on the waitlist but do not meet the criteria above, instead of being automatically enrolled in the class you will remain on the waitlist.

Who gets into a class from a waitlist?

If one seats become available, students will automatically be enrolled in the class in the order in which they were added to the waitlist as long as there are no errors or enrollment restrictions.

How do I know if I got into a class?

If you are auto enrolled from the waitlist, you will be notified by email to your Peralta email account. Be sure to activate and monitor your Peralta emails during the registration period.

When do I pay for the class?

Fees will be assessed after you enroll in a class and must be paid 2 weeks before the beginning of the term. If you do not pay your fees, you may be dropped from the class for non-payment. If you add after this deadline, you are required to pay the fees immediately or a hold WILL be placed on your account and your debt will be sent to collections. *Students on a waitlist should monitor their Peralta email closely for enrollment notification.*

What is the first day I can waitlist?

Waitlists become available when a class reaches its enrollment capacity. Waitlisted classes are displayed in the online schedule of classes with a yellow triangle icon.

What is the last day I can be added to a waitlist?

You can be added to a waitlist until the day before classes begin.

What prevents me from adding to a waitlist?

- Enrollment appointment date/time has not yet been reached
- The last day to add to the waitlist has passed
- Class is not yet closed
- Waitlist is at its capacity
- You have reached the limit for waitlisted units (waitlisted and enrolled units cannot exceed 10 units in summer, and 18 units in fall and spring)

Wait Lists

SPRING 2020

If an enrolled student drops a class and a seat opens up, do waitlisted students get the opportunity to enroll first?

Yes. When a class is marked as closed only students from the waitlist can be enrolled.

Before the first day of classes, a daily process runs to automatically enroll students from the waitlist. If all waitlisted students are successfully enrolled in the class and there are still seats available, the class will reopen. However, if all students from the waitlist are moved to the class filling the class to capacity, the class will remain closed and the waitlist will re-open.

If by the first day of class you are still on the waitlist, you will need to attend the first class meeting and obtain a permission number from your instructor in order to enroll in the class.

Can I be on the Waitlist for more than one section of the same class?

Yes. You will be automatically enrolled in the section that becomes available first, depending on your position on the waitlist for each section.

Can a student be both enrolled and waitlisted for different sections of the same class?

Yes, but they cannot be enrolled in both. A student can be enrolled in the open section of a class and at the same time be on the waitlist for a different section of that same class (maybe the waitlisted section was their first choice, but it has reached capacity). However, a student will not be auto enrolled in the waitlisted section when a seat becomes available, even if they are eligible. In this instance, they will need to drop themselves from the section they are currently enrolled.

How will I move from the waitlist into the class?

During the registration period before classes begin, you are automatically enrolled as space becomes available. After classes begin, instructors are required to issue permission numbers. You use the class permission number to enroll in the class via Passport (you must drop yourself from the waitlist before using the permission number) or by going to the Admissions and Records office at the college.

Is there a limit to the number of units that can be waitlisted?

Yes. Your waitlisted units and enrolled units cannot exceed 10 units in summer and 18 units in fall and spring.

Are waitlisted units counted into my total units for the term?

No. Enrolled units and waitlisted units are counted separately. Waitlisted courses are not counted towards full-time status or calculated for fees.

Will I be charged the enrollment fee when I add to the waitlist?

No. You are only charged the appropriate fees when you are officially enrolled in the class.

How do instructors know who is on the waitlist?

Class Waitlists are available to instructors through class rosters.

Can I drop myself from a waitlist?

Yes. You can drop yourself from a Waitlist using Drop Classes in Passport.

Can I see my position on a waitlist?

You can view your Waitlist position in your Student Center under class schedule.

How can I tell if a class has a waitlist?

Waitlisted classes are marked by a yellow triangle in the online schedule of classes.

Financial Aid

FREQUENTLY ASKED QUESTIONS

Why should I apply for financial aid?

Financial aid is made available to assist students and families in meeting the costs of a post-secondary education. If you believe you will need assistance in meeting those costs, you should apply for financial aid. You can apply online at www.fafsa.ed.gov, via the mobile app at “MyStudentAid”, or at dream.csac.ca.gov (For California AB540 students)

If I am not a U.S. Citizen, am I still eligible to apply for Financial Aid?

To be eligible for both federal and state aid, a student must be a U.S. citizen or an eligible non-citizen. For financial aid purpose, an eligible non-citizen is one of the following: a U.S. permanent resident who has an Alien Registration Receipt Card (I-551); a conditional permanent resident (I-551C); or a non-citizen with an Arrival-Departure record (I-94) from the U.S. Citizenship and Immigration Services with one of the following designations—“Refugee,” “Asylum Granted,” “Parole,” or “Cuban-Haitian Entrant.”

Students who are residing in the United States with an F-1 or F-2 student visa or a G series visa are NOT eligible for federal or state financial aid.

How do I get financial aid?

To receive financial aid you must apply for it. The biggest mistake students make is not to apply because they don't think they'll qualify, therefore, everyone should apply. To apply for federal, state, and college financial aid programs, you need to complete the FAFSA or Dream Act application. For the Cal Grant program, you must submit a GPA verification form by **March 2 and September 2, 2020**. You may also be requested to submit additional documents such as IRS tax transcripts to complete your financial aid file. Please respond immediately to all requests made by the financial aid office.

Do I need to complete my income tax return before I complete the Financial Aid Application?

While it is recommended that you complete your tax return prior to filling out your FAFSA or Dream Act, it is not essential. You can fill out the Financial Aid application using estimated information from your W-2. Any large discrepancies between your aid application and your tax return may have a large impact on any preliminary financial aid award you receive.

What happens if I have academic or other problems and have to drop classes or drop out of college entirely?

If you receive aid and then drop units or withdraw prior to the end of the semester, you may be required to repay a portion of the funds. The repayment amount will be determined after the add/drop period has ended. Students that are required to repay will be required to do so before being allowed to enroll or requesting official transcripts.

What is Satisfactory Academic Progress (SAP)?

Students who have applied for financial aid enter into an agreement to attend class and complete courses with a passing grade. Failure to complete required units, meet the minimum cumulative GPA requirement or exceed the maximum unit limit will result in disqualification from receiving further Financial Aid. For more information please visit <http://web.peralta.edu/financial-aid/sap/>

Financial Aid

FREQUENTLY ASKED QUESTIONS

Do I have to reapply for financial aid every year?

Yes. The FAFSA Application is available as of October 1st of each school year, and ends June 30th. Make sure you include our school codes: Berkeley City College (014311), College of Alameda (006720), Laney College (001266) and Merritt College (001267)

Is there a limit to how much financial aid I can receive?

Yes. Effective with the 2012-2013 award year, the duration of a student's eligibility to receive a Federal Pell Grant is limited to 600% lifetime or its equivalent to 12 full-time semesters. Calculation of the duration of a student's eligibility includes all years of the student's receipt of Federal Pell Grant funding. Once a student has received a Federal Pell Grant for 12 full-time semesters (or its equivalent) the student will no longer be eligible for further Federal Pell Grant.

How is my financial aid disbursed?

Financial Aid funds are disbursed through BankMobile. Your financial aid will be used to pay off current aid year charges on your Passport account. If there are any remaining funds that exceed these charges on your Passport account at the time of disbursement, you will receive a refund of the excess amount which you may use to pay other educationally related expenses.

The Peralta Community College District partners with Bank Mobile®, a financial services company which provides refund methods for students to receive financial aid disbursements. Students who have completed a FASFA or Dream Act Application and enrolled in courses will be sent a Bank Mobile® personal code to their mailing address. Student must activate the code and choose a refund method of their choice - opening an account with Bank Mobile or an ACH transfer into a bank account of their choice. Failure to activate your Bank Mobile account and choose a refund method may result in possible delays in financial aid disbursements.

METHOD C

(Available only by filing 2019-2020 FAFSA or CA Dream Act)

Note: Students not qualified by Method B income standards must file a FAFSA in order to demonstrate the need to qualify for a California College Promise Grant waiver.

If you have special circumstances where you cannot fill out a FAFSA to obtain a California College Promise Grant Enrollment Fee Waiver, please stop by the Financial Aid Office for other possible options.

*New Regulation: Students who apply via the FAFSA for Dream Act must demonstrate need in excess of the average cost of tuition of \$1104 for 2019-2020.

NOTE:

Loss of Entitlement for California Promise Grant

Students who do not maintain minimum academic and/or progress* standards for two consecutive primary semesters will be subject to loss of eligibility for the California College Promise Grant. Registered Foster Youth are exempted from this requirement.

* 50% Completion rate and cumulative GPA above 2.0

Prerequisite/Corequisite Policy and Procedures

Prerequisites

Some courses have prerequisites: faculty have determined that students are highly unlikely to succeed in these courses unless they have acquired a certain level of skills or knowledge, usually through taking another course beforehand. The prerequisites for each course are listed in the class schedule.

When you attempt to enroll online in a course with a prerequisite, the system checks your academic records for evidence that you have taken or are taking the prerequisites at one of the Peralta Colleges.

1. If you have taken the prerequisites at a Peralta College after 1987 and have received a grade of C or better in it, you are allowed to enroll.
2. If you are currently taking the prerequisites, you are allowed to enroll conditionally until your grade is received. If your grade in the prerequisites is below a C, you will be automatically dropped from the higher level course. You will be informed of this by Peralta email.
3. If you have met the prerequisites through a course taken at another college, you will need to submit proof to the counseling department.
4. If you feel the prerequisite has been met through assessment at another institution, and you have either your scores and placement recommendations or a transcript showing the courses you assessed into and enrolled in, or through other means, (this is referred to as "Multiple Measure Assessment" in the class schedule), please see a counselor. The counselor will look at your test scores and discuss your preparation for the course. If the counselor determines that you have met the prerequisites, he/she will clear you for the course and you will be allowed to enroll.
5. If you feel that you have met the prerequisites through your life experience, or you believe that the prerequisites is unnecessary or unlawful, go to the admissions office to complete and sign a Petition for Prerequisite Challenge. You will immediately be cleared to enroll, pending review of your petition by faculty. If your challenge is approved you will remain in the class. If your petition is denied, you will be dropped from the class. You will be informed of this by phone. Challenge petitions must be approved or denied within five working days of the day they were filed. If your petition is not reviewed within five working days, you will remain in the class.

Co-requisites

Some courses have co-requisites: faculty have determined that students are highly unlikely to succeed in these courses unless they enroll in the co-requisite course at the same time. The co-requisites for each course are listed in the class schedule.

If you enroll in a course with a co-requisite, make sure to enroll in the co-requisite course as well. (If you have previously taken the co-requisite course and obtained a grade of C or better, you don't need to enroll in it again).

Open Classes

It is the policy of the Peralta Community College District that, unless specifically exempted by statute, every course, course section or class, the average attendance of which is to be reported for state aid, wherever offered and maintained by the District, shall be fully opened to enrollment and participation by any person who has been admitted to the College and who meets such prerequisites as may be established pursuant to Chapter II, Division 2, Part VI, Title 5 of the California Administrative Code, commencing with Section 51820.

Student Study Load

In order to complete an Associate in Arts or Associate in Science degree at one of the Peralta Colleges in two years, an average unit load of 15 units per term is often necessary. Students may not carry more than 18 units (including a combined total of all Peralta Colleges) without prior approval of a counselor. Counselor approval is required for excess units up to 21.5 units. Enrollment in 22 to 25 units requires approval of the Dean of Student Services. Under no circumstances will approval be granted beyond 25 units. The maximum number of units for the Summer Session is ten (10). For college purposes, a full-time student is one who is carrying 12 or more units. Students are not permitted to enroll in classes with conflicting or overlapping meeting times.

College/District Policies

For complete list of Board Policies, go to <http://web.peralta.edu/trustees/board-policies/>

Board Policy 3410 Nondiscrimination

The District is committed to equal opportunity in educational programs, employment, and all access to institutional programs and activities.

The District, and each individual who represents the District, shall provide access to its services, classes, and programs without regard to national origin, religion, age, sex or gender, gender identity, race or ethnicity, color, medical condition, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

The Chancellor shall establish administrative procedures that ensure all members of the college community or persons using the services of the district can present complaints regarding alleged violations of this policy and have their complaints heard in accordance with the Title 5 regulations and those of other agencies that administer state and federal laws regarding nondiscrimination.

No District funds shall ever be used for membership, or for any participation involving financial payment or contribution on behalf of the District or any individual employed by or associated with it, to any private organization whose membership practices are discriminatory on the basis of national origin, religion, age, sex or gender, race, color, medical condition, ancestry, sexual orientation, marital status, physical or mental disability, active duty military and/or Veteran status or because he or she is perceived to have one or more of the foregoing characteristics, or because of his or her association with a person or group with one or more of these actual or perceived characteristics.

Administrative Procedure 3410 Nondiscrimination

Educational Programs and other Services

The District shall provide access to its services, classes and programs without regard to, national origin, religion, age, sex or gender, gender identification, race or ethnicity, color, medical condition, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy or because he/she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

- A. All classes, including credit, noncredit and not-for-credit, shall be conducted without regard to the gender of the student enrolled in the classes. As defined in the Penal Code, "gender" means sex, and includes a person's gender identity and gender-related appearance and behavior whether or not stereotypically associated with the person's assigned sex at birth.
- B. The District shall not prohibit any student from enrolling in any class or course on the basis of gender.
- C. Academic staff, including but not limited to counselors, instructors and administrators shall not offer program guidance to students which differs on the basis of gender.
- D. Insofar as practicable, the District shall offer opportunities for participation in athletics equally to male and female students.

Title IX

Peralta Community College District recognizes that sexual assault, dating and domestic violence, and stalking are serious issues. Each college and the District seek to ensure that members of the campus community are aware that such behavior is prohibited by law and by Federal, State, and District policies, and that prohibited behaviors have no place in our learning and work environment. Each campus has designated coordinators and resources for information and support. For inquiries and assistance, please visit: <http://web.peralta.edu/health-services/title-ix/>.

Board Policy 3430 Prohibition of Harassment

The District is committed to providing an academic and work environment that respects the dignity of individuals and groups. The District shall be free of sexual harassment and all forms of sexual intimidation and exploitation. It shall also be free of other unlawful harassment as defined in Administrative Procedure 3430, including that which is based on any of the following statuses: race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, gender identification, age, or sexual orientation of any person, military and Veteran status or because he or she is perceived to have one or more of the foregoing characteristics.

The District seeks to foster an environment in which all students, employees and other persons using the services of the district feel free to report incidents of harassment without fear of retaliation or reprisal. Therefore, the District also strictly prohibits retaliation against any individual for filing a complaint of harassment or for participating in a harassment investigation. Such conduct is illegal and constitutes a violation of this policy. All allegations of retaliation will be swiftly and thoroughly investigated. If the District determines that retaliation has occurred, it will take all reasonable steps within its power to stop such conduct. Individuals who engage in retaliatory conduct are subject to disciplinary action, up to and including termination or expulsion.

Any student, employee or other person using the services of the district who believes that he or she has been harassed or retaliated against in violation of this policy should immediately report such incidents by following the procedures described in AP 3430. Supervisors are mandated to report all incidents of harassment and retaliation that come to their attention.

This policy applies to all aspects of the academic environment, including but not limited to classroom conditions, grades, academic standing, employment opportunities, scholarships, recommendations, disciplinary actions, and participation in any community college activity. In addition, this policy applies to all terms and conditions of employment, including but not limited to hiring, placement, promotion, disciplinary action, layoff, recall, transfer, leave of absence, training opportunities and compensation.

To this end the Chancellor shall ensure that the institution undertakes education and training activities to counter discrimination and to prevent, minimize and/or eliminate any hostile environment that impairs access to equal education opportunity or impacts the terms and conditions of employment.

The Chancellor shall establish procedures that define harassment. The Chancellor shall further establish procedures for employees, students, and other members of the campus community that provide for the investigation and resolution of complaints regarding harassment and discrimination, and procedures for students to resolve complaints of harassment and discrimination. All participants are protected from retaliatory acts by the District, its employees, students, and agents.

This policy and related written procedures shall be widely published and publicized to administrators, faculty, staff, students, and the public particularly when they are new to the institution. They shall be available for students, employees and others who use the services of the district in all administrative offices.

Employees who violate the policy and procedures may be subject to disciplinary action up to and including termination. Students who violate this policy and related procedures may be subject to disciplinary measures up to and including expulsion.

Privacy Rights of Students

As a student or former student of a Peralta College, you have a right to 1) access and inspect official educational records relating to you as maintained by the District, and 2) amend such records should you believe them to be inaccurate, unsubstantiated, or misleading. (Federal Educational Rights and Privacy Act of 1974, Board Policy 5040, Administrative Procedures 5040, and Administrative Procedures 5045)

Student Conduct Grievance and Due Process Policies

The Peralta Colleges have established regulations and procedures for the imposition of discipline on students in accordance with the requirements for due process of the federal and state law. Board Policy 5500 and Administrative Procedures 5500 clearly define the standards of conduct that is subject to discipline, detail the discipline due process, and identify potential disciplinary actions, including but not limited to the removal, suspension or expulsion of a student.

The College and the District shall ensure that students are accorded due process as stated in the written procedures. The Board Policy and Administrative Procedures are posted online and a copy may be obtained at the Office of the Vice President of Student Services.

Peralta Police Services

The Peralta Community College District contracts police services with the Alameda County Sheriff's Office, to provide security patrol services for Laney College, Merritt College and the College of Alameda. With regard to Berkeley City College, the Sheriff's Office primary function is compiling statistical information only. The Berkeley Police Department is responsible for security patrol functions at Berkeley City College.

Mission Statement

The Alameda County Sheriff's Office/Peralta Police Services mission is to preserve the peace, maintain order and enforce state, federal, and local laws. Our goal is to provide a safe environment so that the educational process can be conducted in an orderly and uninterrupted manner. Deputies focus on "partnerships" in addressing problems and/or concerns identified by campus staff and students.

Peralta Police Authority

Deputies assigned to the Peralta Community College District have peace officer authority, pursuant to section 830.1 of the California Penal Code. Each deputy has met all state standards and training requirements, and has the same authority as municipal police officers. Sheriff Technicians also are employed by Police Services, but do not have peace officer authority. Peralta Police works in partnership with and will request assistance from the Oakland Police Department, Alameda Police Department or the Berkeley Police Department for incidents which require resources not readily available at Peralta Colleges.

Peralta Police Services joins the entire Peralta College Community in welcoming you. The goal of our department is to provide the safest possible environment for all campuses, so everyone can enjoy all of its facilities. Although your safety is our major concern, we also monitor fire and intrusion alarms as well as enforce parking regulations. Calls for service are prioritized and response time will vary with the location, nature and urgency of the situation.

Crime Prevention

Crime prevention is the responsibility of all staff and students. Members of the campus community should be aware of their surroundings and of circumstances which seem out of the ordinary. Willingness to look out for each other and to report all suspicious individuals or activities to the campus police will assure that the campus will be a safe, secure place to work and to study.

Personal Safety Tips

It's easy to give criminals an opportunity to strike; just be a little careless, forgetful, too trusting, and gullible. But, it's just as easy to remove the temptation; by being careful, alert, cautious, and aware. Most criminal activity occurs because opportunities exist

for crimes to be committed. Take away the opportunity and crime can be greatly reduced. You are your own best security.

An awareness of the following crime prevention pointers, together with your own common sense, will help reduce the opportunity for others to commit a crime against you.

- Lock your car, office or residence whenever leaving it.
- Keep your car or building key ready in your hand
- Avoid unnecessary hazards of poorly lighted or unfamiliar areas.
- Know the locations of telephones and "Blue Phones" on campus.
- When working after hours, notify Police Services of your location. Lock all doors leading to the area you are in.
- Never leave personal items unattended in common areas.

Questions, suggestions and/or concerns regarding Campus Safety and Security may be directed to Police Services at (510) 465-3514. Your fears and concerns will be treated with the utmost importance by Peralta Police Services.

Bike Patrol

Peralta Police's commitment to continuous improvement towards enhancing the personal safety of students and visitors to the Peralta Community created the desire for a bike patrol. This was established during the summer of 1997. The bikes will allow officers to reach locations inaccessible to the patrol car and at the same time respond quicker than officers patrolling on foot. Also the bike patrol enhances our relations with the Peralta Community by making us more accessible to the public.

Weapons Policy

The unauthorized use, possession or storage of weapons, fireworks, or explosives is prohibited on any Peralta College premise (including vehicles) or at any Peralta Community College-sponsored activity. Weapons may include, but are not limited to, firearms, pellet guns, bows and arrows, martial arts equipment, switchblade knives, swords, large knives, and clubs.

Parking & Traffic Regulations

All provisions of the California Vehicle Code apply to individuals and to vehicles being driven on and about campus property and parking lots. All vehicle codes, including 21113 C.V.C., are strictly enforced. The speed limit is 5 m.p.h. in campus parking lots and property. Students may only park in designated student parking areas.

Persons must obey all California Vehicle Codes and carefully read and follow the campus parking and traffic signage. Illegally parked vehicles will be cited and/or towed at the owner's expense. For towed vehicles, contact Peralta Police Services at (510) 465-3514. Parking violations are enforced 24 hours a day, seven days a week, including holidays.

College officials do not have the authority to rescind or to arbitrate citation matters.

Students must not park in staff parking areas, red zones, yellow (loading zones), green 30 minute zones or in other unauthorized areas. Disabled student parking areas are available and posted with blue paint and handicapped parking signs.

“Handicap Accessible” signs mean the area is accessible by persons with disabilities; it does not mean it is designated for “Handicapped Parking”.

Disabled students must also properly display their daily or semester parking permit (and a Student I.D. Decal if they attend Laney) along with their D.M.V. issued handicap placard and/or handicap license plate.

Staff must properly display their staff parking permit along with their D.M.V. issued disabled placard and/or disabled plate.

Daily parking permits expire at 10:45 p.m. each night and the parking lot gates are locked and secured at 11:00 p.m. each evening. Overnight parking is not authorized and vehicles will be towed at the owner's expense. (Contact Peralta Police Services for towed vehicles at 510-465-3456).

Visitors may park in the green 30 minutes zones at Merritt and College of Alameda if they are staying only 30 minutes or less. Visitors may park lawfully on the street at campuses with street parking, (metered zones require coinage). Special guest permits may be obtained through the business offices, and the Department of General Services in the District Administration Center (DAC).

Semester parking permits may be purchased for the student parking at Laney, Merritt and College of Alameda campuses for \$40.00 (\$20.00 for motorcycles).

The summer session rate is \$20.00 for cars (\$10.00 for motorcycles). Rates are subject to change.

You may choose to pay for parking on a daily basis, rather than purchasing a semester permit. The cost of daily parking is \$2.00 per day (exact change only). The daily permits may be purchased from the ticket machines located in the parking lots.

In addition to the daily parking permits, Laney College students must properly display a “STUDENT I.D. DECAL” (hanging from the rear view mirror with the numbered side facing outward), in order to park in a student parking lot or you will be cited.

Student I.D. Decals are issued, initially, at no charge and can be obtained from the Cashier's Office. (There is a \$10.00 replacement cost for lost or stolen Student I.D. Decals).

Unlike Laney, Merritt and College of Alameda, the Berkeley City College campus has no parking lot; therefore, Berkeley City College does not honor parking stickers from other Peralta Colleges. There is no designated public parking lot at Berkeley City College.

Jeanne Clery Disclosure

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act or Clery Act, codified at USC 1092(f) as part of Higher Education Act of 1965, is a federal law that requires all colleges and universities to keep and disclose information timely and annually about certain crime on and near their respective campuses. These crime statistics can be found in the Peralta Community College Personal Safety Handbook, on the Peralta Community College District website: www.peralta.edu, and on the Alameda County Sheriff's Office website: www.alamedacountysheriff.org.

Annual Security Report

The Peralta Community College District (PCCD) Annual Security Report (ASR) is provided in accordance with the Crime Awareness and Campus Safety Act of 1990 and subsequent amendments that led to its being renamed the Jeanne Clery Act in 1998.

The ASR is part of ongoing efforts to inform you of the safety programs and services available and the crimes that are reported to Peralta Sheriff's, local police partners and other campus security personnel. It also contains information about proactive steps you can take to help maintain a safe and secure campus for everyone. For more information about the latest Peralta Community College District Annual Security Report, please visit: <http://web.peralta.edu/police-services/college-annual-security-reports-ars/>.

For more information about Peralta Police Services and Crime Statistics, please visit: <http://web.peralta.edu/police-services/>

Blackboard Connect

(Emergency Notification and Early Warning System)

Blackboard Connect, Inc. is a mass notification and Early Warning system used by the Peralta Community College District to notify students and staff of any emergency situations occurring on Peralta Community College District campuses or other Peralta Community College District properties. Mass e-mails and text messages are sent out describing the incident and how students/staff should proceed. Because emergency situations change rapidly, recipients should not expect regular updates; however, every attempt will be made to disseminate pertinent information, including campus closures.

To receive Blackboard text messages/e-mails, you must provide the Office of Admissions and Records with current cell phone numbers/email addresses upon registering for classes.

**You can make a difference in the lives of motivated Peralta students
by supporting the Peralta Colleges Foundation**

Throughout the four District colleges, the Peralta Colleges Foundation provides academic scholarships to committed students and financial assistance for faculty development and library initiatives.

Please consider making a donation to help increase the number of scholarships we award to students in need. A gift of any size can make a big difference!

A Peralta Colleges Foundation scholarship can provide a student with:

- apprenticeship uniforms, culinary knives, machine repair tools and other specialty equipment
- supplies to pursue a career in design or the arts
- required course textbooks and classroom materials
- gas or a transit pass to get to school, an internship or a job
- self-confidence and hope for the future

For a student who struggles just to pay tuition and buy textbooks each semester, a Peralta Colleges Foundation scholarship provides the encouragement and resources that a student needs to succeed.
